Enduring a Crisis of Faith Rico

Maranto, 2023-03-22 A crisis of faith may feel like the death of our testimony But what if it is not the death of our testimony but a rebirth of it After a lifetime of being a devoted Latter day Saint Rico Maranto unexpectedly suffered a severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul Overcome with doubt and uncertainty he began to feel abandoned by God and all that He has taught But through the years of his dark night Rico transitioned from nearly losing his faith to rediscovering rebirth Now Rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith In this inspiring book Rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises With his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever you will discover the five stages of faith as a template for spiritual development strategies and toolsets for enduring a crisis of faith how to help others who are struggling with their own doubts If you or a loved one are struggling with your faith know that the dark night of the soul is not reason to despair it is a divinely designed spiritual chrysalis intended to transform us into all the Lord needs us to become the best version of ourselves *Faith Crisis, Volume 1: We Were NOT Betrayed!* L. Hannah Stoddard, James F. Stoddard III, 2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter day Saints over many years the authors decided to write a book offering hope and answers for those struggling with faith crisis Unbeknownst to the general Church membership the 20th century would witness an organized effort to rewrite Latter day Saint history from within its own ranks In a head to head behind the scenes battle traditional leaders resisted intellectual progressives working in the Church History Department and at BYU who claimed some forty years ago that it would take a generation to re educate the Church membership Where are we in this attempted re education What is the New Mormon History and how does it personally affect you and your family Join us as we explore newly available diaries review old books and bring untold history into the light Progressives claim the Church covered up its history for nearly 200 years Is the current faith crisis stemming from unmasked history or new interpretations Why did New Mormon Historians insist Hofmann s forgeries were legitimate even when investigators provided convincing evidence to them of the hoax How did Bruce R McConkie know Hofmann s Joseph Smith III blessing was a fake despite authentication by document experts and pressure by historians calling him incompetent for questioning Who were the Swearing Elders How did this group of progressive Latter day Saints reshape the identity of Mormonism Why did Carol Lynn Pearson and Leonard Arrington share cards that read History is on our side as long as we can control the historians Leonard Arrington shared that an invisible higher power commissioned him to rewrite or reconstruct our dominant narrative of the Restoration Did God want our history changed Why did Leonard Arrington say the First Vision Nephites and gold plates were part of the Mormon myth Why did Leonard

Arrington note that if he were honest about his beliefs not many Latter day Saints would want him to teach their children How did this affect his career as Church Historian and later at BYU Progressives working in the Church History Department and at BYU claimed 40 years ago it would take a generation to re educate the Church Where are we in this re education The research and findings in this volume are truly history altering Using newly released documents combined with deep knowledge of Church History the Stoddards are bringing to light what could be termed a soft coup d tat of the Church s scriptures and prophets by progressive historians bent on altering its history Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated and altered our sacred history Rod Meldrum researcher best selling Latter day Saint author international lecturer Years ago we stopped going to church Suddenly God awakened me and brought me back into the fold As I hungered and learned more about the restoration it was upsetting to hear things being said about Joseph that I KNEW were not true I hit a major faith crisis Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon I read the Stoddard s Faith Crisis book This book along with promptings and teachings from the spirit helped me navigate through many questions This book only helped grow my testimony of the truthfulness of the restoration of the gospel and of the church of Jesus Christ of Latter Day Saints I now stand strong in the Faith and know that I am in the only true church I m so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter Day Saints Latter day Saint mother of six

Why I Stay 2 Robert A. Rees, 2021-03-30

One s religious affiliation may be determined at least initially by family and culture but the ultimate choice to stay is in the end personal This second volume of Why I Stay touches on the weighty decisions and complex issues people ponder in a faith journey and which fork in the road to take once they face them Twenty one women and men discuss what it is about Mormonism that keeps them part of the fold Their deep unique experiences make their individual travels even more compelling Kimberly Applewhite Teitter growing up in the South as a Black Latter day Saint often encountered well meaning Latter day Saints whose words messaged the idea that she was at some level an outsider or perhaps not as authentically Mormon as others in her congregation Thus she writes At the end of the day I m still Black still have felt the weight of proving that I represent the church I ve fought so hard for my entire life Yet the very episodes that could have driven her from the church became lessons on the meaning of discipleship For Carol Lynn Pearson staying boiled down to two reasons I find a great deal of love in this church and where I do not find love I have an opportunity to help create love The stories she shares illuminate that mantra Mitch Mayne an openly gay man has faced many challenges by his decision to stay Most days it seems I can t be Mormon enough for my LDS community and I can t be gay enough for my LGBT fellows In his essay he answers the question many have asked Why don t you just leave the church

authors have written a book offering hope and answers for those struggling with faith crisis In a head to head behind the scenes battle 20th century traditional leaders resisted intellectual progressives working in the Church History Department and at BYU **The Mormon Crises** James A. Beverley, 2013-02 Mitt Romney s run for President of the United States created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during the so called Mormon Moment coverage was often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism James Beverley tells the Mormon story as few can He has studied Mormonism for over 35 years and has consulted frequently with other experts on Mormonism both LDS and outside the LDS Church His research trips to Utah have included interaction with polygamous Mormons major LDS scholars and the Attorney General of the State of Utah Mormon Crisis deals with major issues about Joseph Smith the first LDS prophet provides sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the current LDS belief system but also a way out of the current crisis facing one of Americas most famous and controversial religions Faith Crisis, Volume 2: Behind Closed Doors L. Hannah

Stoddard, James F. Stoddard, 2020-10-05 During the 20th century an organized objective to rewrite Latter day Saint history from within unbeknownst to the general Church membership went head to head behind the scenes with traditional leaders of the Church Meet the main players of this conflict Leonard Arrington progressive Father of New Mormon History Ezra Taft Benson traditionalist defender and many other advocates of traditionalist and progressive Latter day Saint history As traditionalists and progressives sparred during the 1970s 1980s a covert cold war commenced in Salt Lake City Utah with the progressives spying on the traditionalists and the traditionalists spying on the progressives Secret informants leaked documents falsified reports and even employed pseudonyms all were part of this struggle to dominate Latter day Saint history But how did and does this secret conflict affect you Progressives working in the Church History Department and at Brigham Young University claimed 40 years ago that it would take a generation to re educate the Church Where are we now in that re education
