## **Nazi Propaganda For The Arab World:**

*Nazi Propaganda for the Arab World* Jeffrey Herf, 2009-11-30 Jeffrey Herf a leading scholar in the field offers the most extensive examination to date of Nazi propaganda activities targeting Arabs and Muslims in the Middle East during World War II and the Holocaust He draws extensively on previously unused and little known archival resources including the shocking transcriptions of the Axis Broadcasts in Arabic radio programs which convey a strongly anti Semitic message Herf explores the intellectual political and cultural context in which German and European radical anti Semitism was found to resonate with similar views rooted in a selective appropriation of the traditions of Islam Pro Nazi Arab exiles in wartime Berlin including Haj el Husseini and Rashid el Kilani collaborated with the Nazis in constructing their Middle East propaganda campaign By integrating the political and military history of the war in the Middle East with the intellectual and cultural dimensions of the propagandistic diffusion of Nazi ideology Herf offers the most thorough examination to date of this important chapter in the history of World War II Importantly he also shows how the anti Semitism promoted by the Nazi propaganda effort contributed to the anti Semitism exhibited by adherents of radical forms of Islam in the Middle East today

Hitler's assumption of power in January 1933 to 1944 a year following the final Axis defeat in and expulsion from North Africa in May 1943. It does so within the context of two central interconnected issues in the larger history of National Socialism and the Third Reich namely Nazi geopolitical interests and ambitions and the regime's racial ideology and policy. This book defines the relatively limited geopolitical interests of Nazi Germany in the Middle East and North Africa within the context of its relationships with the other European great powers and its policies with regard to the Arabs and Jews who lived in those areas.
