Analysis of the Success Factors of SVOD to reach Generation Z Lien La, 2022-05-16
Master's Thesis from the year 2019 in the subject Communications, Public Relations, Advertising, Marketing, Social Media grade 1.4 Berlin School of Economics and Law language English abstract This paper is an analysis of the success factors of SVOD to reach Generation Z. It includes a case study of MTV. The objective of the present thesis is the identification and analysis of KSF of SVOD in order to attract Gen Z. It seeks to understand and examine SVOD usage behavior and preferences within the audience of Gen Z. After the determination of KSF, geared towards the user expectations and preferences of Gen Z, implications and recommendations for the newly launched SVOD channel MTV will be identified. Three research questions are central to the present study: 1. What is the SVOD usage behavior of Gen Z? 2. Which KSF are perceived as valuable by Gen Z? 3. How should MTV design their SVOD offer in order to attract Gen Z? The first chapter is the introduction, which provides the problem statement, its purpose, relevant research questions and the course of investigation. The second chapter presents a literature review. It is organized into four parts: the first part reviews academic literature relevant to research on KSF; the second part of the literature review sheds light on the uses and gratification theory; UGT focuses on different aspects of the media usage of Gen Z and introduces KSF in media; the third part presents subscription models in the media industry, an overview of the SVOD market and a best practice analysis with relevant players; the last part of chapter two summarizes the literature review findings to develop a SVOD KSF framework. Chapter three makes use of the previous developed framework and analyzes the KSF of MTV. The fourth chapter is the methodological framework of the study, including the research method, questionnaire design, data collection and sampling, data analysis and research findings. Chapter five introduces

recommendations for MTV based on the empirical research The thesis concludes with chapter six which gives answers to the research questions a general conclusion the limitations of this study and suggests topics in need of further research

CIO ,2009-04 *Measuring the value of strategic resources. A literature overview of customers value* Tim Ulbricht,2018-03-12 Seminar paper from the year 2018 in the subject Business economics Accounting and Taxes grade 1 0 LMU Munich Instituts f r Rechnungswesen und Wirtschaftspr fung course Accounting Auditing and Analysis AAA language English abstract This seminar paper gives an overview on the literature of measuring customer value A lot of companies have a very low book to market value e g Apple 0 15 Microsoft 0 14 Amazon 0 04 and Facebook 0 14 as of December 2017 Though according to US GAAP and IFRS annual reports should provide investors and prospect investors with decision useful information the balance sheet lacks certain intangible assets that are obviously driving the value of the firm That are for example brand equity organizational capital and customer equity Such assets became more important so that not only for researchers but also for practitioners and standard setters there is an incentive to identify possibilities to measure such assets reliably to make better investment decisions or for the latter to increase the decision usefulness of the information provided in the annual reports There is an increasing number of SBE subscription based enterprises or at least SB offerings which leads to an increasing number of balance sheets that do not sufficiently reflect the value of the firm For a long time the value of customers was just a marketing issue and not in the focus of accounting researchers but due to the development

described above it is getting into focus of accounting literature in the past decades Gleaves Burton Kitshoff Bates Whittington 2008 pp 827 832 There are several approaches to value customers but they have in common that first the value of a single customer is derived the so called CLV customer lifetime value sometimes also referred to as CV customer value To value the customer base of a firm all CLVs are aggregate to derive the so called CE customer equity The value a customer has for a firm is the sum of all discounted future contribution margins the firm can obtain from him Berger Nasr 1998 pp 18 19 Therefore I first look at the eligibility of customer value as an asset Afterwards I compare different approaches to derive the CLV then the approaches to derive the CE Next I analyze the literature concerning the link between performance and customer and show a possible calculation on the example of Netflix

Netflix Facebook Compare: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. Netflix Facebook Compare : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Netflix Facebook Compare : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
