Kellough,1998 This book is designed to provide a practical criterion referenced performance based model for general  
secondary or middle school methods The text s unique modular format allows students to work through each module at their  
own pace building confidence as each skill is mastered Using current and practical methods of teaching this latest edition  
incorporates constructivist based theory social interactive learning strategies and inquiry learning which involve students in  
problem solving situations      THE Journal ,2001      **Classroom Teaching Skills** Susan R. Goldman,James Michael  
Cooper,2006 Designed for beginning teachers this text introduces the teacher as reflective decision maker responsible for  
planning implementing evaluating and making management decisions in the classroom Each chapters considers a particular  
teaching skill first discussing the theory behind it and then presenting the reader with practice situations in which knowledge  
about the skill can be applied and evaluated The Eighth Edition continues to address the importance of core INTASC  
standards and highlights developing issues including the Digital Divide the use of personal digital assistants PDAs in and  
outside of the classroom cooperative learning and dealing with behavioral issues Core INTASC standards are addressed in  
regard to each chapter s objectives A correlation table between chapter and standard is located on the inside front cover of  
the text to facilitate documentation of where and how INTASC standards are addressed New Marginal notations appear  
throughout the text to call out key concepts and assist students with comprehension and review New Two color design helps  
to organize the information more clearly for students Chapter 10 focuses on assessment and includes extended discussion of  
rubrics with additional examples as well as a new section on electronic portfolios Chapter 9 has been revised to include a  
focus on cooperative learning and other strategies brought back from the Sixth Edition of Classroom Teaching Skills Chapter  
8 focuses on issues of behavior management in the classroom including parental involvement and the role of record keeping  
in resolving behavioral issues Chapter 7 Teaching and Learning with Technology has been completely updated Among the  
topics covered are the Digital Divide using personal digital assistants in and outside of the classroom micro media and  
simulation technology and new productivity tools for teachers The opening chapters have an increased emphasis on decision
