Gunn, Arthur A. Boni, Stephen M. Sammut, 2025-05-21 This book is the first print publication of the larger media endeavor Global Entrepreneurship or more familiarly GBioE The premise is simple All bioenterprise is global or potentially so In all its media presences GBioE is intended as a place wherein trusted insights may be found and relevant experiences may be shared This inaugural print edition of GBioE is sourced from both biotechnology industry professionals and recognized bioentrepreneurial academics Topics include such emergent issues as the creation of appropriate rules regarding the use of AI in today s biotech industry post pandemic insights biotech coverage in the mainstream media an impact analysis of proposed EU pharmaceutical reforms insights into the field of Precision Medicine and more Regular features starting with this edition include in depth book reviews and articles with Biotech CEOs and CSOs sourced from the popular BioTech Nation podcast **Physicians of the Future** Rosalynn A. Vega, 2024-05-21 The first scholarly exploration of the forums practice and economics of functional medicine Physicians of the Future interrogates the hidden logics of inclusion and exclusion in functional medicine FM a holistic form of personalized medicine that targets chronic disease Rosalynn Vega uncovers how as wounded healers some FM practitioners who are former chronic disease sufferers turn their illness narratives into a form of social capital leveraging social media to relate to patients and build practices as doctor influencers Arguing that power and authority operate distinctly in FM when compared to conventional medicine largely because FM services are paid for out of pocket by socioeconomically privileged clients Vega studies how FM

practitioners engage in entrepreneurship of their own while critiquing the profit motives of the existing healthcare system pharmaceutical industry and insurance industry Using data culled from online support groups conferences docuseries blogs podcasts YouTube and TED Talks as well as her own battles with chronic illness Vega argues that FM practices prioritize the individual while inadvertently reinscribing inequities based on race and class Ultimately she opens avenues of possibility for FM interlocutors wrestling with their responsibility for making functional medicine accessible to all
