

# Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

**A Heritage of Horror** David Pirie,1973 [Hearings](#) United States. Congress. Senate. Committee on the Judiciary,1966

**A New Heritage of Horror** David Pirie,2024-10-17 David Pirie's acclaimed history of British gothic film and television has long been regarded as a foundational study of the roots of British horror identifying it as the only staple cinematic myth which Britain can properly claim as its own. This edition has been revised and updated to include discussion of films and TV dramas that have been newly discovered, restored or released since publication of the previous edition in 2007 as well as addressing newly emergent screenwriters, directors and genres. Drawing on insider accounts and archival sources, David Pirie investigates the notion of horror versus realism in popular fiction and analyses the horror boom that developed around films including *The Others* and *28 Days Later*. He chronicles British horror cinema from its origins in Gothic literature, traces the rise of Hammer Films, its key directors and films, as well as its battles with the censors. He explores major horror sub-genres including comedy horror and sci-fi, and brings the story up to the present day where horror is flourishing in new ways with films such as *Shaun of the Dead*, *Under the Skin* and *Censor*. The rise of genres such as folk horror and films that tackle questions of race and gender, and the emergence of a new generation of writers and directors including *Prano Bailey Bond*, *Ben Wheatley* and *Edgar Wright*.
