

How to Explain Family Violence to Your Child

Using the Right Words and Techniques

What are the right words to use when talking to your child about family violence?

When you explain family violence to your child, it's important to be honest and to use words that are easy for your child to understand.

Family Violence Steps:

1

Violence is when one person uses power over another person. This can be physical, emotional, or financial. It's important to know that violence is never okay.

2

Violence is not just between parents. Other family members, like grandparents, can be violent.
