Strategic Management Jeffrey H. Dyer, Paul C. Godfrey, Robert J. Jensen, David J. Bryce, 2023 Strategic Management delivers an insightful clear concise introduction to strategy management concepts and links these concepts to the skills and knowledge students need to be successful in the professional world. Written in an accessible Harvard Business Review style with lots of practical examples and strategy tools the book engages students with an easy to understand learning experience to strategic management concepts. This International Adaptation sparks ideas, fuels creative thinking and discussion while engaging students via contemporary examples, outstanding author produced cases and much more. Every chapter now includes new questions to help readers test their understanding of the subject. There are also new Mini Cases and Strategy in Practice vignettes that are contemporary and more relevant to the global scenario.

Algorithms, Collusion and Competition Law Steven Van UytSEL, Salil K. Mehra, Yoshiteru Uemura, 2023-01-20 What is algorithmic collusion? This evaluative book provides an insight into tackling this important question for competition law with contrasting critical perspectives including theoretical, empirical and doctrinal, the latter frequently from a comparative perspective. Bringing together scholarly discussion on algorithmic collusion, the book questions whether competition law is adeptly equipped to deal with its various facets.
