single one of Elise Ngo's close girlfriends Rebecca Jesse and Beth is getting married within the same few months and every single one of them has asked her to be both bridesmaid and florist. Though it's a lot for her to juggle the work and exposure is a boon to her struggling flower shop. The stakes are high at Rebecca's high profile wedding where the guests are mostly political connections of Rebecca's parents. Desperate for the event to go off without a hitch, Elise enlists the help of an outside caterer who turns out to be Ben Yu, Rebecca's elusive younger brother. Though Ben is prickly and aloof, he offers Elise much needed business designing flowers for his mom's campaign fundraisers and Elise begins to see there's more to Ben than his gruff and handsome exterior. But their romance takes off as the political campaign ramps up, complicating their relationship with unforeseen consequences. Now always the bridesmaid, Elise must fight for what she wants to finally get her own happily ever after.

**Good Things Happen to People You Hate** Rebecca Fishbein, 2019-10-15 For lovers of Sloane Crosley and Samantha Irby, this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts. Former Senior Editor for *Gothamist*, Rebecca Fishbein's adult life has been a dramatic reflection of New York media itself, constantly evolving in unexpected ways and seemingly always on the edge of disaster. In short, Rebecca has seen it all: from 3 bedbug infestations to being fired to being yelled at while working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans. But the real humor and meat of the collection come from Rebecca's unwavering honesty and unflinching examination of her struggles with alcohol, anxiety, depression, compulsive lying, female beauty standards, and a slew of failed coworker, roommate, friend, and semi-relationships. As Jia Tolentino commented, the era of the personal essay ended with the election; this is not your grandmother's millennial essay collection. Rebecca's writing is relatable without being preachy and conveys a message of resilience by example, not by moral. Readers will recognize the world they themselves see: a disastrous president and a scary socioeconomic landscape in Becca's writing and find comfort in her humor and a snarky but incisive friend in her writing.

**Kirkus Reviews**, 1982 Adult books are categorized by genre: i.e. fiction, mystery, science fiction, nonfiction. Along with bibliographic information, the expected date of publication, and the names of literary agents for individual titles are provided. Starred reviews serve several functions. In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books. In the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

*Queer Horror* Sean Abley, Tyler Doupe, 2024-08-20 From the beginning, horror has been part of the cinema landscape. Despite some of the earliest genre films with gay directors such as F.W. Murnau's *Nosferatu* and James Whale's *Frankenstein*, the invisible man, *Bride of Frankenstein*, LGBTQIA characters have rarely been portrayed in full view. For decades, filmmakers have included coded content in their films with the homosexual experience translated into censor-friendly subtext for consumption.

by general audiences Gradually LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience s tastes and attitudes Likewise more and more LGBTQIA writers and directors have begun to offer their queer centric takes on scary movies and today queer horror is a thriving film genre With more than 900 entries this critical filmography is a comprehensive critical yet playful examination of the history of LGBTQIA content in horror films Eight journalistic contributors dig into every era of scary movies including the early silents pre and post Hays Code content grindhouse sleaze LGBTQIA indies and megaplex studio releases From Whale s The Old Dark House 1932 to Don Mancini s Chucky films and everything in between this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry
