The Devil Is In the Details Don Yaeger, 2025-02-18 This is not your everyday restaurant story In 2006 before food trucks were cool Mike Rypka had a used trailer a red vespa and a resolute dream of opening a taco joint Zipping around Austin Texas making deliveries and spreading the word he staked his reputation on a menu of experimental tacos coined by customers as Damn good Over 100 brick and mortar locations later a lot has changed at Torchy s Tacos but the dedication to honesty and originality remains alongside Rypka s memories of the steppingstones and wild chances that brought him here In *The Devil Is in the Details* bestselling author Don Yaeger takes readers on a madcap journey of redemption risk and ultimately reward chronicling the pivotal choices and hard earned wisdom that went into building a restaurant chain from the ground up This thrilling story touches all corners of the restaurant industry from Rypka s rock bottom teenage years working his first job as a fry cook to country clubs and corporate kitchens to the recent unprecedented challenge of expanding his business during the coronavirus pandemic Part love story part biography part manifesto What is depicted in these pages is not just the history of a taco restaurant but an account of the people behind a beloved brand its quirky culture and its big heart
