

## Night By Elie Wiesel- Study Guide

The following questions are meant to help you focus your reading for upcoming quizzes and discussions. If you can answer the questions after reading each chapter, you will clearly understand the novel and be prepared—perhaps even prepared—for the quizzes and tests.

### Chapter 1

1. Who was Michael the Shohet?
2. Who does Elie Wiesel tell the reader is Michael?
3. Who does Wiesel describe himself as in v. 12?
4. Who does Wiesel describe his father?
5. Who did Elie's father consider him when reading the Talmud?
6. Who did Wiesel realize his wife was after the Holocaust?
7. What happened to Michael?
8. Several months later, Elie sees Michael the Shohet again. What does Michael tell?
9. Who was Michael's wife now?
10. Who had Michael changed as a result of this experience?
11. Who did people in the village seem to believe? Why do you suppose they reacted this way?
12. In the Spring of 1944, what political changes occurred in Hungary?
13. Who was the antithesis of the Jews of Sighet?
14. What history does Wiesel employ to contextualize the double experience and death of some of the Jews living in Sighet? How is it useful?
15. After the Germans arrived in Sighet, what was the prevailing attitude among the residents?
16. After Passover, Wiesel says, "the curtain rises," (p. 16) What does this refer to? What happened?
17. What was Eliezer's reaction about the comments that Wiesel's father made regarding the meaning of the ghetto? Why?
18. What was the Germans' next step?
19. Who did the Jews run to then?
20. The Germans had come to get the Jews of Sighet, however, Wiesel says these plans?
21. The Wiesel family was among the last to leave the ghetto. Who were they?
22. Who did they go?
23. Despite all that happened, even when the Germans entered the capital of the Danube, Wiesel tells us that people still remained optimistic about their future. How can you explain this optimism?
24. In this chapter Wiesel uses images from nature. Name three for me the most?
25. What does this imagery of night suggest? Explain in detail.  
"Night. This was painful, we knew the night would pass quickly. The stars were only specks of light which disappeared as the moon rose. We could then see more clearly, there would be nothing but the sky but dead stars, dead eyes." (p. 16)
26. Given the fact that the title of this book is *Night*, what do you suppose a major theme in the work will be?
27. A memoir is a story of one's life told by the person similar to an autobiography. Describe the story of this memoir, and speculate on why Wiesel chooses to use this form.
28. Identify each of the stages in the German plan, and point out how the meaning of the German plan and the people's human and the optimum in the face of danger and the Jews of Sighet are the transports to Auschwitz?

**Long Night's Journey into Day** Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

**Study Guide to Accompany World Religions, Warren Matthews** David C. Prejsnar, 1995

**Inquiry and the Literary Text** James Holden, John Stephen Schmit, 2002 Inquiry and the Literary Text will help newcomers and veterans alike make the most of student discussion and inquiry in classrooms from middle school to high school to college The contributors secondary and college practitioners offer theory grounded classroom tested approaches for literature study in which students engage in democratic dialogue and practice authentic collaborative inquiry The book opens with a concise primer on discussion based classes seminars and inquiry focused instruction It then moves into three main sections that provide ideas to invigorate discussion and inquiry in any classroom and it closes with an annotated
