Last Shop Standing: Whatever Happened To Record Shops? Graham Jones, 2010-07-23 Last Shop Standing Whatever Happened To Record Shops documents the sad disappearance of a cultural icon from our high streets Once a thriving industry the UK has gone from having over 2000 independent record shops in the 1980s to just 269 in 2009 Written by Graham Jones who has worked in the distribution industry for over 25 years as a record company salesman this book presents a snapshot of a business that is under threat of going the same way as the stamp shop the coin shop and the candlestick maker Jones speaks to 50 record shop owners to see why they have survived while nearly two thousand others have closed These interviews form the basis of the book which celebrates the rich social history in which the record shop is steeped In 2012 Last Shop Standing was made into an award winning 50 minute film featuring interviews with Johnny Marr Norman Cook Richard Hawley Paul Weller and Billy Bragg alongside many of the record shop owners featured in the book Given a new tagline the rise fall and rebirth of the independent record shop the film has been screened around the globe and was an official selection at the Chicago International Movies Music Festival in 2013

O BRAVE 'NEW NORMAL' WORLD: Living with Coronavirus Steve Gleadhill,2024-04-23 The pandemic unleashed a strange half world not the comfortably familiar one we all knew and loved but one in which we had to tread carefully and remain vigilant Subsequently it became a game of risk management that created tensions between the political desire to return to some form of normality and the need to protect lives Inevitably this conflict of interests led to confusion confrontation and sadly deaths Despite some catastrophic misjudgements at the governmental level we ourselves must also shoulder some of the blame Social media added fuel to the fire for those who chose to challenge the official guidance as an infringement on their personal freedoms and rights and preferred to interpret events as evidence of institutional conspiracies Amid this mayhem our planet was suffering It was estimated that one million of our eight million species on Earth are threatened with extinction some within decades A report by WWF and the Zoological Society of London revealed that animal populations globally had plunged by 68% in more than twenty thousand populations of mammals birds amphibians reptiles and fish in the last fifty years *United States Code Service, Lawyers Edition* United States,1936 *The Bulletin of the American Society of Newspaper Editors* American Society of Newspaper Editors,1992 *Global Transport* ,1997 **West's Louisiana Statutes Annotated: Civil Code** Louisiana,1951 **The Daniher's** Terry Daniher,2014-05-14 A revealing account of how four unassuming blokes from the bush endeared themselves to Australian Rules fans and became part of football folklore On 1 September 1990 four brothers made Australian Rules history by playing together for the one team the Essendon Football Club something that is unlikely to ever happen again Terry Neale Anthony and Chris Daniher grew up in a tiny Riverina town where they played footy on Saturdays and Rugby League after mass on Sundays They reached the elite level in an era when tobacco sponsorship and a few beers with the opposition after a game were the norm It was a time when Jim Daniher could throw a teenage son into a trade deal and Kevin Sheedy and Edna Daniher could conspire to make a dream come true But it wasn't all plain sailing injuries cut short a promising career trading between clubs was largely unregulated the Swans were shunted off to Sydney and coaching changed dramatically This is an action packed story of the period when the national Aussie Rules competition emerged and football became big business and an unassuming bunch of blokes from the bush endeared themselves to footy fans and became part of football folklore **U.S. News & World Report** ,1996
