### **A Guide to Collaborative Communication for Service-Learning and Community Engagement Partners**

Rebecca Dumiao,2023-07-03 This book focuses on partnerships at the most basic level of interaction between two people as they work toward common goals Interpersonal dynamics described in this book are intended to guide formal and institutional relationships between members of a community or community organization on the one hand and representatives from campus on the other Collaborative communication principles and practices shared can form a foundation for individuals to build flexible lasting relationships that will weather most challenges and sustain the larger partnerships of their respective organizations This book offers a conceptual framework of collaborative communication to build and sustain partnerships recognizing that relationships change over time

as the people involved and their circumstances evolve Collaborative communication uses a repertoire of knowledge and skills that allow partners to make choices that fit their situation or context and to work through differences and challenges as they occur to include managing conflict and navigating cultural differences It further takes into account the different means of communication whether face to face using e mail text messaging or social media Readers will appreciate the numerous real world examples that illustrate and bring its key concepts to life This book is addressed to partners at all levels focused on community engagement and service learning It is intended for preparing college students to work more effectively in the community as well as for workshops for community and campus members who work with service learning students It can equally be used in leadership workshops in academic and community settings Scholars students or community members involved in community engaged research will also find useable ideas for their work The appendices offer an annotated bibliography of useful resources and provide readers with a repertoire of activities for building a collaborative communication repertoire
