Adidas 2025 Customer Service:

Winning in 2025 Michael de Kare-Silver, 2019-02-12 Such is the pace of technology driven change that companies around the world are scrambling to catch up to transform to get up to date reinvent themselves for this Digital age FinTech InsurTech Blockchain Bitcoin Cloud Artificial Intelligence Machine Learning Virtual Reality Robotics Cyber Security Internet of Things there s seems no end to what new tech is generating and with it the substantial challenges and opportunities for every organisation How make sense of this mass of ideas which ones to focus on and prioritise now and which can be left to another day How to transform and change and capture the key emerging options how energise and excite and empower teams and employees to embrace all this change and take advantage of it what are the keys to success This new book sets out a possible roadmap and blueprint to help companies navigate their way through these changing times it looks at best practices and lessons learned and aims to distil that into a clear set of guidelines and working advice There s no easy answer and every company is at different stages on their transformation journeys but if some of the ideas and insights here can be adopted and implemented it can provide the platform to succeed and be a winner in 2025

Change for Good Paul Klein, 2022-03-15 An action oriented approach for businesses to solve the world s most urgent social problems and benefit from doing so More than a year into a global pandemic profit and shareholder value are no longer the primary metric of business success Customers shareholders and communities are demanding that companies do good do more and do better In Change for Good Paul Klein shows how companies must move beyond what he calls corporate social responsibility light and demonstrate how they can help solve social problems that have been defined as UN Sustainable Development Goals Change for Good is a new system for making social change through business that reflects Paul s experience over the last 35 years One of the core principles of Change for Good is including people with lived experience of social problems in identifying promising solutions and collaborating to bring these solutions to life This methodology can create impactful and sustainable social change in society in ways that aren t possible when executives make decisions in their boardrooms that are intended to impact the lives of vulnerable people Through personal experiences case studies and practical tools Change for Good will inspire readers and their organizations to make the shift from a passive social responsibility to taking action to help solve the world s most pressing social problems
