DISCUSSION AND CONCLUSIONS

AP Poll Submissions by Voter

Exact Extreme Other

Review AP Poll submissions for each of the 60+ voters from the media. Areas shaded blue indicate times where the pollster's ranking matched the AP Poll ranking. Areas shaded light orange indicate times where that pollster deviated from the AP Poll ranking by a certain number of spots. **HOVER** over a team to see where other members of the media ranked that team in their submissions.

Southern University Law Review Southern University. School of Law,1978 **Understanding Reddit** Elliot T. Panek,2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology **University Rankings** Jung Cheol Shin,Robert K. Toutkoushian,Ulrich Teichler,2011-06-06 This ground breaking and exhaustive analysis of university ranking surveys scrutinizes their theoretical bases methodological issues societal impact and policy implications providing readers with a deep understanding of these controversial comparators The authors propose that university rankings are misused by policymakers and institutional leaders alike They assert that these interested parties overlook the highly problematic internal logic of ranking methodologies even as they obsess over the surveys assessment of their status The result is that institutions suffer from short termism realigning their resources to maximize their relative rankings While rankings are widely used in policy and academic discussions this is the first book to explore the theoretical and methodological issues of ranking itself It is a welcome contribution to an often highly charged debate Far from showing how to manipulate the system this collection of work by key researchers aims to enlighten interested parties **Research Handbook on University Rankings** Hazelkorn, Ellen,Mihut, Georgiana,2021-12-10 Gathering unique and thoughtful contributions from leading international scholars this timely Research Handbook offers diverse perspectives on university rankings twenty years after the first global rankings emerged It presents an in depth analysis that reflects the current state of research on rankings their influence and impact University Rankings Jung Cheol SHIN,Robert K.
