Global Cyber Security Labor Shortage and International Business Risk Christiansen, Bryan, Piekarz, Agnieszka, 2018-10-05 Global events involving cybersecurity breaches have highlighted the ever growing dependence on interconnected online systems in international business The increasing societal dependence on information technology has pushed cybersecurity to the forefront as one of the most urgent challenges facing the global community today Poor cybersecurity is the primary reason hackers are able to penetrate safeguards in business computers and other networks and the growing global skills gap in cybersecurity simply exacerbates the problem Global Cyber Security Labor Shortage and International Business Risk provides emerging research exploring the theoretical and practical aspects of protecting computer systems against online threats as well as transformative business models to ensure sustainability and longevity Featuring coverage on a broad range of topics such as cybercrime technology security training and labor market understanding this book is ideally designed for professionals managers IT consultants programmers academicians and students seeking current research on cyber security s influence on business education and social networks Black Friday Mastery: Secrets to Scoring the Best Deals Every Year William Moore, 2024-11-19 Black Friday Mastery Secrets to Scoring the Best Deals Every Year is your ultimate guide to navigating the biggest shopping event of the year with confidence strategy and savings like never before Packed with expert tips proven strategies and insider knowledge this book will transform you into a savvy shopper who knows exactly how to find the best deals every single time In this book you ll discover The Secrets of Success Learn how to prepare for Black Friday like a pro including creating a winning budget tracking price trends and researching deals in advance Smart Shopping Strategies Master the art of timing your purchases navigating doorbusters and scoring exclusive early access discounts Tools of the Trade Get the lowdown on must have apps deal trackers and cashback programs that help you save even more Avoiding Pitfalls Stay protected with tips on spotting scams understanding return policies and dealing with warranties Year Round Savings Take what you learn and apply it to other sales events ensuring you re always getting the best value Whether you re hunting for electronics fashion or holiday gifts this comprehensive guide will help you maximize your savings and minimize stress With real life success stories expert advice and actionable steps Black Friday Mastery is your key to turning chaos into opportunity Stop overspending and start shopping smarter Grab your copy today and unlock the secrets to mastering Black Friday and every other sale like a seasoned pro Don t let another deal slip through your fingers **The Single Gal'S Guide to Shopping for a Great Guy** Tiffany Yvonne Grant, 2015-07-14 Are you single and loving this season of your life Are you single and longing to become somebody's wife Are you single due to divorce but looking for a fresh start Are you single because death made the two of you part Have you never had a ring on it Are you about to get a ring on it Are you praying for someone to put a little bling bling a toy ring or even a piece of string on it Gals author Tiffany Yvonne Grant knows exactly how you feel She is single too Tiffs

The Single Gals Guide to Shopping for a Great Guy compares shopping to living single and looking for love. God's way. Tiff's goal is to help singles navigate through today's sex-saturated society that says you have to sell yourself cheap, compromise your market value, and display and giveaway your goods to catch a great deal, i.e. a great guy. You'll learn how to date, find a mate, be a good friend, and love good men. The Single Gals Guide to Shopping for a Great Guy will confirm, convict, challenge, convince, and maybe even change how you walk through this single season of your life. You'll be reminded that you are valuable to God and that you should be valued by men that you date. Plus, until the wedding night, you are worth the wait. So grab Tiff's book and read it with gals and guys that you adore. The Single Gals Guide to Shopping for a Great Guy has lots of great stuff in store and will have you looking at your shopping trips like never before.

The Power of Ethics Susan Liautaud, 2021-01-05. The essential guide for ethical decision making in the 21st century. The Power of Ethics depicts ethical decision making not in a nebulous philosophical space but at the point where the rubber meets the road. Michael Schur, producer and creator of The Good Place, it's not your imagination, we're living in a time of moral decline. Publicly, we're bombarded with reports of government leaders acting against the welfare of their constituents, companies prioritizing profits over health, safety, and our best interests, and technology posing risks to society with few or no repercussions for those responsible. Personally, we may be conflicted about how much privacy to afford our children on the internet, how to make informed choices about our purchases and the companies we buy from, or how to handle misconduct we witness at home and at work. How do we find a way forward? Today's ethical challenges are increasingly gray, often without a clear right or wrong solution, causing us to teeter on the edge of effective decision making. With concentrated power structures, rapid advances in technology, and insufficient regulation to protect citizens and consumers, ethics are harder to understand than ever. But in The Power of Ethics, Susan Liautaud shows how ethics can be used to create a sea change of positive decisions that can ripple outward to our families, communities, workplaces, and the wider world, offering unprecedented opportunity for good. Drawing on two decades as an ethics advisor guiding corporations and leaders, academic institutions, nonprofit organizations, and students in her Stanford University ethics courses, Susan Liautaud provides clarity to blurry ethical questions, walking you through a straightforward four-step process for ethical decision making you can use every day. Liautaud also explains the six forces driving virtually every ethical choice we face. Exploring some of today's most challenging ethics dilemmas and showing you how to develop a clear point of view, speak out with authority, make effective decisions, and contribute to a more ethical world for yourself and others. The Power of Ethics is the must-have ethics guide for the 21st century.
