Torkildsen's Sport and Leisure Management Rob Wilson, Chris Platts, Daniel Plumley, 2022-11-01 For nearly 40 years Torkildsen's Sport and Leisure Management has been the most comprehensive and engaging introduction to sport and leisure management available to students at all levels. Now in its seventh edition it is still the only textbook that covers all the key topics taught within contemporary sport and leisure management courses. This new edition includes expanded coverage of the practical managerial skills that students must develop if aiming for a career in the sport and leisure industry from planning and managing people to marketing entrepreneurship and the law. It includes four completely new chapters on the global sport and leisure economy, historical development, cross sector collaboration and management consultancy, reflecting important developments in contemporary sport and leisure. This edition retains the hallmark strengths of previous editions including in depth discussion of the social and cultural context of sport and leisure, full analysis of the public, private and voluntary sectors and a review of key products and services. Richly illustrated throughout with up to date evidence, data, case studies and international examples, each chapter also contains a range of useful pedagogical features such as discussion questions, practical tasks and structured guides to further reading and resources. This is an important resource for students working in fields such as sport management, sport business, sport development, leisure management and events management. Dedicated online resources offer additional teaching and learning material for students and lecturers. **PC Gamer**, 2008

When Marina Chan ran from her old life, she brought nothing with her, not even her real name. Now she lives in fear of her past being discovered. But when her online gaming team is offered a tour of their favorite game company, Marina can't resist accepting, even though she knows it might put her fake identity at risk. Then the creator of the game is murdered during their tour. The killer plans to frame Marina and her friends for the murder unless they win four rounds of a dangerous game. A game that requires them to lie, trespass and steal. A game that could destroy everything Marina's worked
