Behrens,2018-04-17 It is clear that a proper understanding of what academic English is and how to use it is crucial for success in college and yet students face multiple

obstacles in acquiring this new code not least that their professors often cannot agree among themselves on a definition and a set of rules Understanding Language Use in the Classroom aims to bring the latest findings in linguistics research on academic English to educators from a range of disciplines and to help them help their students learn and achieve In this expanded edition of the original text college educators will find PowerPoint presentations and instructor materials to enhance the topics covered in the text Using these additional resources in the classroom will help educators to engage their students with this crucial but frequently neglected area of their college education and to inform students about the unexamined linguistic assumptions we all hold and that hold us back You can find additional materials on the Resources tab of our website
