[No Space for the Inner Child? Learn to Deal with Feelings in Business](#) Simone Janson, 2025-11-17 Also in the 8th revised and improved edition published by a government funded publisher involved in EU programs and a partner of the Federal Ministry of Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an integrated knowledge system with premium content and 75% advantage At the same time you do good and support sustainable projects Because especially in the stressful everyday business life there is often hardly any room for emotions at first glance Much more we should always appear professionally perfect and competent But undesirable

feelings often break out again at inopportune moments be it in the form of choleric fits envy attacks or crying fits Especially introverts and highly sensitive people who perceive emotional impulses particularly strongly suffer from this contradiction Those who want to solve this dilemma for themselves and others would do well to strengthen their self confidence Those who can love and accept themselves will also convince others of their emotional side This book shows the not always easy way to the goal Good luck and have fun reading Knowledge that makes a difference independently documented by its own Wikipedia entry With its information on demand concept the publishing house has been successful for over 20 years and has received numerous awards So when you buy the book you are also doing good The publisher is financially and personally committed to socially relevant projects such as tree planting campaigns scholarship foundations sustainable living and many other innovative ideas The goal of providing you with the best possible content on topics such as career finance management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported research results to a limited extent to make information easier to find which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher journalist and editor Simone Janson is also a best selling author was a columnist for WELT and Wirtschaftswoche and according to ZEIT one of Germany s most bloggers on success

**Labor of the Heart** Kathleen Whitten, 2008-02-28 Adoptive parents often experience the double trial of emotional responses to infertility and to the process of adoption itself called excruciating labor with no end in sight by one adoptive mother Would be adoptive parents cycle through grief anger fear anxiety frustration and guilt and back again All of these emotions cloud decision making at exactly the time that adoptive parents are making life altering irrevocable decisions whether to adopt at all to adopt an older child or an infant or to parent a child with developmental delays as well as other pressing questions New empirical research by Kathleen Whitten Ph D a developmental psychologist and adoptive mother and other experts in the field contradicts many of the outdated myths presented to parents and written about in widely used adoption guides Whitten separates fact from fiction and leads parents by the hand through

the many emotional impacts the process involves Written in a reassuring conversational tone the author tells parents when they should listen to their heart and when practical considerations are too important to ignore Each chapter features workbook section with constructive exercises and stimulating questions Adoptive parents do not need yet another book promising a fast track to a child or explaining how to collect documents Instead they need Be Brilliant & Shine!
