## Making Whipped Cream for Desserts

by *Barbara Schreiner*

It's a simple recipe, but it's one that I've never been able to master. I've tried it a hundred times, and I've never been able to get it to turn out the way I want it to. I've tried it with different brands of cream, and I've tried it with different whippers, but it's always the same. It's never as fluffy as I want it to be, and it's never as sweet as I want it to be. I've tried it with different amounts of sugar, and I've tried it with different amounts of cream, but it's always the same. It's never as fluffy as I want it to be, and it's never as sweet as I want it to be.
