Paving the Way Dan McNichol, 2005-01-01 **An Overview of Transportation R&D** United States. Congress. House. Committee on Science and Technology (2007). Subcommittee on Technology and Innovation, 2009 Caliban and the Yankees (Volume 1 of 2) (EasyRead Super Large 18pt Edition) , **Caliban and the Yankees** Harvey R. Neptune, 2009-09

In a compelling story of the installation and operation of U S bases in the Caribbean colony of Trinidad during World War II Harvey Neptune examines how the people of this British island contended with the colossal force of American empire building at a critical time in the island s history The U S military occupation between 1941 and 1947 came at the same time that Trinidadian nationalist politics sought to project an image of a distinct independent and particularly un British cultural landscape The American intervention Neptune shows contributed to a tempestuous scene as Trinidadians deliberately engaged Yankee personnel paychecks and practices flooding the island He explores the military based economy relationships between U S servicemen and Trinidadian women and the influence of American culture on local music especially calypso fashion labor practices and everyday racial politics Tracing the debates about change among ordinary and privileged Trinidadians he argues that it was the poor the women and the youth who found the most utility in and moved most avidly to make something new out of the American presence Neptune also places this history of Trinidad s modern times into a wider Caribbean and Latin American perspective highlighting how Caribbean peoples sometimes wield America and American ways as part of their localized struggles *The Political Lives of James K. McGuire* Daniel Schultz, 2019-08-07 James K McGuire is often overlooked as a key figure of Irish nationalist politics yet the issue defined his life for over three decades As the title implies he had multiple careers each overlapping the others **Engineering News and American Railway Journal** , 1894
