## Using Browser

Step One: Open your PDF file using your browser. Any browser will be able to manage and process this even if its just internet explorer or chrome.

Step two: Once your PDF is opened already in your browser, click "Print" and a preview of your print settings will open. Select the option that would only print certain pages and input the pages you want to include in your new PDF file.

**Uprooted Minorities** Chris Chapman, Preti Taneja, 2009-09-24 Since the start of conflict in Iraq in 2003 the country's minorities have suffered disproportionate levels of targeted violence because of their religions and ethnicities Inside Iraq they continue to suffer this violence Outside they form a large proportion of those displaced either by fleeing to neighbouring countries or seeking asylum further afield But as this report clearly shows having passed Iraq's borders is no guarantee of safety Asylum seekers risk being turned back at the Greek border if they continue into other member states of the European Union they face increasingly restrictive asylum policies For minorities the ramifications of this are stark If rejected they risk being sent back to Iraq Dispersal policies which divide refugees of the same nationality between cities and towns have a serious impact on minority communities whose numbers may already be at the limits of sustainability Such policies also ignore the needs of minorities especially the need to maintain as a community their cultural identity and religious practices There is also a tendency to ignore the plight of Muslim ethnic minorities in reporting and processing asylum claims Drawing on numerous first hand interviews with Iraq's minority communities across the Middle East and Europe this report details the considerable difficulties they face in the struggle to gain safety It highlights that for many minorities return to the

extremely precarious existence they face in Iraq is an impossible prospect As asylum countries continue to use a combination of voluntary incentives and force to return Iraqi rejected asylum seekers and refugees this report offers an urgent analysis of the impact of such measures on minorities It calls on the Government of Iraq and the international community to give greater consideration to the specific needs of Iraq's religious and ethnic minorities in all matters of asylum resettlement and return
