

A close-up photograph of a dog's face, likely a golden retriever or similar breed. The dog has a light brown or tan coat and is looking directly at the camera with a slightly sad or weary expression. Its eyes are dark and expressive, and its nose is visible. The background is a plain, light color.

Reddit Memes Today Usa:

Race, Popular Culture, and Far-right Extremism in the United States Priya Dixit,2022-10-25 This book analyzes key popular culture artifacts linked with United States far right extremism to illustrate how extremists use various narrative strategies to legitimate their interests and goals and to justify violent actions Recognizing these narrative strategies and how they are used partly explains the back and forth moves between mainstream politics and the far right of ideas and issues that used to remain within far right circles The main objective of this book is to utilize theoretical approaches that centralize processes of racialization to analyze and explain how far right extremists utilize recognizable narratives to mainstream and communicate their ideas The book will illustrate processes by which racialized subjects are produced and violence justified In order to do so the book concentrates on popular culture as sources of how the far right constitutes their identities and goals It first develops a methodological plan to study popular culture artifacts that is drawn from scholarship on race and discourse analysis in International Relations IR It then analyzes far right use of key popular culture artifacts such as magazines memes and manifestos to note how extremist identities and interests are produced publicly communicated and mainstreamed This will contribute to Security Studies and IR's understanding of far right extremism especially how they utilize similar narrative strategies as used in mainstream contexts to justify their calls for violence

Creativity and Innovation in Times of

Crisis (COVID-19) Roni Reiter-Palmon,Min Tang,Zorana Ivcevic,2022-04-06 **The January 6th Report** Elizabeth Holtzman,Select Committee to Investigate the January 6th Attack on the US Capitol,2022-12-27 The most important political investigation since Special Counsel Robert S Mueller III's probe into Russian influence on the 2016 election of Donald J Trump The full report by the Select Committee to Investigate the January 6th Attack on the United States Capitol will feature facts circumstances and causes related to the assault on the Capitol Complex Formed on July 1 2021 the Select Committee has issued over one hundred subpoenas and held over a thousand witness interviews The report will provide the results of investigations into interference with the peaceful transfer of power the preparedness and response of the United States Capitol police and other federal state and local law enforcement and the influencing factors that fomented the insurrection and attack on American representative democracy engaged in a constitutional process The Select Committee investigation and the January 6th report will join the Mueller Report the 9 11 Commission Report the Warren Report the Starr Report and Watergate as one of the most important in history The January 6th Report will be required reading for everyone with interest in American politics for every 2020 voter and every American Featuring a foreword by Elizabeth Holtzman a lawyer and political leader who was a Democratic Congresswoman from New York Holtzman has a unique perspective on the situation as she served on the House Judiciary Committee charged with investigating the Watergate scandal and prepared articles of impeachment that precipitated the resignation of President Nixon **The January 6th Report** The January 6 Select Committee,2023-01-10 NEW YORK TIMES BESTSELLER The official report by the Select Committee to Investigate the

January 6th Attack on the United States Capitol featuring an exclusive foreword on the state of American democracy by Congressman Adam Schiff On January 6 2021 the United States came perilously close to losing its democracy A mob instigated by the president of the United States violently attacked the Capitol Building in Washington D C seeking to disrupt the certification of the electors in the presidential election and prevent the peaceful transfer of power for the first time in American history The attack was the culmination of a plot organized and driven by a defeated president attempting to remain in power through a complex web of deceit intimidation and violence This is the official report of the investigation into the attack perhaps the most vital congressional investigation in American history with exhibits witness testimony and an exclusive foreword by Congressman Adam Schiff who offers critical insights into this harrowing chapter in American history

We Are the Nerds Christine Lagorio-Chafkin,2019-10-01 Named a

Best Book of 2018 by Fast Company this is a sharply written and brilliantly reported Shelf Awareness look inside Reddit the wildly popular often misunderstood website that has changed the culture of the Internet Reddit hails itself as the front page of the Internet It s the third most visited website in the United States and yet millions of Americans have no idea what it is We Are the Nerds is an engrossing look deep inside this captivating maddening enterprise whose army of obsessed users have been credited with everything from solving cold case crimes and spurring tens of millions of dollars in charitable donations to seeding alt right fury and landing Donald Trump in the White House We Are the Nerds is a gripping start up narrative the story of how Reddit s founders Steve Huffman and Alexis Ohanian rose up from their suburban childhoods to become millionaires and create an icon of the digital age before seeing the site engulfed in controversies and nearly losing control of it for good Based on Christine Lagorio Chafkin s exclusive access to founders Ohanian and Huffman We Are the Nerds is also a compelling exploration of the way we all communicate today and how we got here Reddit and its users have become a mirror of the Internet it has dingy corners shiny memes malicious trolls and a sometimes heart melting ability to connect people across cultures oceans and ideological divides

The Case Against Memes Daniel Espinola,2022-10-18

The Case Against Memes takes an in depth look at meme culture and debunks many prevailing culture myths surrounding them Do memes help us empathize with one another Do they help us educate our children Do they help us cope with the stressors of daily life The answer to all of these questions and more is a resounding No Daniel Espinola delves deep into the

evidence sourcing valid scientific studies and expert insights from a wide variety of fields engineering statistics education pharmacy and more to show the world that we are all better off deleting our Reddit accounts He shines a light on the flawed methods of many pro meme opinions as well as the influence that Silicon Valley and Big Academia have exerted on us through memes If you yearn for a day when we all stop shouting into a void and have thoughtful public discourse again then this is the book for you The Case Against Memes also makes a great gift for sending a not so subtle hint *The Memetic Vernacular* Andrew Michael Peck, 2017 This dissertation argues that viewing memes as a vernacular practice reveals how Internet users construct circulate and legitimate knowledge in their everyday communication online Chapter 1 begins by asking a seemingly straightforward question why post a meme and considering how memes function as a form of everyday argument enabled by the affordances of the digital age In Chapter 2 I argue that to answer this question scholars must look at Internet memes as a form of practice This practice exemplifies a widespread form of everyday discourse online that uses recurring communicative genres to assert common knowledge and vernacular authority Therefore I define Internet memes as recurring generic practices in networked communication exhibiting variation and play as they are circulated informally between users and I call this capacity for expression the memetic vernacular Understanding Internet memes as a vernacular practice illuminates how the collaborative nature of memetic practice enables individual users to use memes to make arguments based on common knowledge and vernacular authority Chapter 3 traces the evolution of a single meme over a year on Reddit in order to argue that memetic communication practices gain vernacular authority as the result of aggregate volition Chapter 4 looks at how Internet memes circulate arguing that when assertions of everyday authority come into contact and conflict users appropriate existing memes as a form of counter discourse Chapter 5 looks at increasingly prevalent attempts by institutions to advertise using Internet memes Centered on a memetic advertisement posted to Facebook by the U S Department of Health and Human Services this chapter discourages dismissing institutional attempts at vernacular speech and argues for a more nuanced understanding of why some memes fail while others succeed Finally the conclusion synthesizes these findings and applies them to the memetic practices of the alt right during the 2016 United States presidential campaign This conclusion explores not only how institutional agents might effectively leverage everyday communication practices but also how the memetic vernacular can help scholars understand emergent trends in digital communication
