**Witchcraft** Jennie Woodard,2025-08-28 From fairy tales and fiction to Tiktok the specter of the witch has cast a long shadow over women and popular culture Witchcraft Gendered Perspectives traces the history of and evolution of the term witch across six centuries Tracing the history of witchcraft from the publication of the Malleus Maleficarum to its contemporary representation and reclamation this volume takes a gendered and intersectional approach to the cultural and historical shifts which have both demonized and democratized the witch online and in public discourse Amongst these are The witch trials in Scotland England and America Literary and screen re imaginings of the witch The rise of Wicca as an alternative religion Witchcraft Gendered Perspectives is an invaluable resource for graduate and undergraduate students across gender studies queer history religious studies media studies and European and North American history

**Superhero Blockbusters** Felix Brinker,2022-03-07 This is the first book length study to examine the enduring popularity of block buster films based on DC or Marvel superhero comics properties It argues that the success of superhero movies is rooted in aesthetic practices unavailable to other types of film and suggests that the multi dimensional seriality of these movies combining practices of serialisation adaptation and transmedia storytelling endows them with an unmatched potential to engage audiences over time and to actively intervene in the discourses of online fandom The book develops a

critical theory of digital era popular seriality examining the narrative strategies of superhero movies and their evolution from 1978's Superman to 2018's Avengers Infinity War and beyond. It discusses textual and extra textual practices of fan mobilisation and considers the genre's shared political imaginary and its purchase on contemporary political debates.

**Film and Tourism** Marco Valeri, 2025-04-01 Film tourism has emerged as a major driver of tourism development for many destinations. To date there has been substantial literature on the subject but little of it has engaged with the wider social science paradigm of culture film and media research. The intellectual components of film tourism as an area of academic inquiry span several academic subjects such as marketing economics finance psychology social development sustainability and operations. Film is a relatively obscure area of tourism research but the wider interconnections between tourism space and media are beginning to be explored and understood. The interest which the topic has generated highlights this subject as one that is worthy of attention within both the academic community and in a practitioner context. The contributions in this book discuss the debates about the perceived and actual impact of film tourism and what must still be learned about this phenomenon to create the most unique and satisfying visitor experiences and protect the communities and environments that it affects. Fundamental questions are raised regarding the real demand for and draw of film as a tourism motivator and the range of assumptions conflicts and contradictions that underlie them.

**Parents**, 1988 Motion Picture Herald, 1935 Forbes, 2004 The Hassle-Free Walt Disney World Vacation Steven M. Barrett, 2004 Fully revised and updated for 2005 this succinct guide has gained a reputation for offering the best touring plans of WDW Attraction descriptions and at a glance hotel and restaurant guides complete the book.

**Farm Journal**, 1949 Farm Journal and Country Gentleman, 1949 **Orlando** Berlitz Guides, Jennie Hess, 2000 With over 40 million copies sold worldwide Berlitz Pocket Guides have long been renowned for their ease of use and portability by booksellers and travelers alike. Redesigned and updated Pocket Guides continue to provide a world of information for travel at any budget and still fit into a pocket.

Better Homes and Gardens, 1999 Cable & Satellite Yearbook, 2004 **Movie Maker**, 1983 Playthings, 1957 Once Upon an American Dream Andrew Lainsbury, 2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992. The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image. Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers. After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism. Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe's love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it. Once Upon an American Dream is a story of global capitalism on a grand scale. Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de

la Belle au Bois Dormant Sleeping Beauty's Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy tale for our times reminding us that for all the critical huffing and puffing the creation and marketing of pleasure is what Euro Disneyland is all about     *Econoguide Disneyland Resort, Universal Studios Hollywood 2003* Corey Sandler, 2003 Visitors can stick to their budgets when traveling to Disneyland Resort Disney's California Adventure Universal Studios Hollywood and other major southern California attractions This comprehensive guide contains directions and detailed maps of the theme parks gives the lowdown on rides and attractions at each park lists restaurants from fast food to full service and includes dozens of moneysaving coupons     **Urban Land** , 2004
