New America BookPage Shelf Awareness The working homeless In a country where hard work and determination are
supposed to lead to success there is something scandalous about this phrase But skyrocketing rents low wages and a lack of
tenant rights have produced a startling phenomenon People with full time jobs cannot keep a roof over their head especially
in America's booming cities where rapid growth is leading to catastrophic displacement These families are being forced into
homelessness not by a failing economy but a thriving one In this gripping and deeply reported book Brian Goldstone plunges
readers into the lives of five Atlanta families struggling to remain housed in a gentrifying increasingly unequal city Maurice
and Natalia make a fresh start in the country's Black Mecca after being priced out of DC Kara dreams of starting her own
