Salary Calculator This Month Tutorial:

The Prudent Professor Edwin M. Bridges, Brian D. Bridges, 2023-07-03 This is a guide for anyone in the academy faculty member administrator or professional staff at whatever point she or he may be along the career path Whether you are a newly minted Ph D landing your first job at mid career or even already retired and concerned about how long your money might last Ed Bridges offers you a straightforward easy to grasp and structured way to think about money learn how it works understand the priorities for your stage in life determine your objectives and develop a personal plan most likely to achieve them Why a book specifically for those who work in higher education The chances are that your retirement funds are mostly invested in TIAA CREF funds and that the plans created by the different institutions where you have worked or will work impose sometimes conflicting limitations of how you can manage your retirement money This is potentially complex terrain with which many professional financial advisors are unfamiliar This book provides ample guidance for you to manage your retirement funds but if you do prefer to seek professional advice it sets out the criteria for choosing a reliable advisor and may even be a book from which your advisor can benefit if he or she is not fully conversant with TIAA CREF s offerings and the quirks of academic retirement plans What makes this book unique is that Ed Bridges shares with you his self education about the risky business of investing and retirement planning As he writes In schooling myself I adopted the mind set that I had used as a social scientist for the past forty six years I distinguished between fact and opinion and scrutinized the evidence behind every author s claims moreover I searched for research that might corroborate or refute these claims In the process I learned a great deal about the route I should have taken to retirement from the time I accepted my first academic appointment to the time I submitted my intention to retire Join me as I relive my long journey so that you may avoid my wrong turns and succeed in reaching your ultimate destination a worry free retirement despite the risks and uncertainties you will surely face when you retire The book includes simple questionnaires and worksheets to help you determine where you stand and think through your options

In retrospect, this is what it takes to build a successful business Kgadi Mmanakana , 2022-10-14 Here s what I know for sure To be known in the market to get clients and achieve a turnover of R1mil don t happen by chance it requires intentional strategic planning and execution It is my dream to see entrepreneurs becoming the working class in their own businesses and being the CEOs not only on business cards but CEOs of sustainable businesses that can pay them a salary afford to hire a team has an office and generates substantial revenue In the book I share my learnings condensed into 10 lessons from my over 5 years of experience working full time in the startup community both as an entrepreneur and an entrepreneurial success enabler The lessons are practical and paradigm shifting intended to give entrepreneurs and SMME operators actionable tips that they can implement immediately to advance their own entrepreneurship skills and unlock the growth of their businesses
