SPECIAL OPERATIONS FIELD MANUAL –

STRATEGIC SERVICES

(Provisional)

Oss Training Manual

**Charles Alpheus Bennett, William
Thomas Bawden**

Oss Training Manual:

THE OSS COMBAT MANUAL Hardcover Edition James Loriega, Operation OSS U.S. Army Special Forces, 2011-09-01 Operation OSS provides a fascinating glimpse into the famed Office of Strategic Services better known as the OSS the predecessor to today's CIA. It combines three declassified manuals that together document the field activities of the clandestine community during World War II involving both citizen saboteurs and professional teams of trained operatives. Simple Sabotage Field Manual is the basic OSS doctrine for training civilians as saboteurs outlining the tools, targets, and timing schedules necessary to achieve maximum efficiency in support of conventional military offensives. Maritime Unit Field Manual describes OSS clandestine waterborne operations including ferrying operatives and supplies to and from enemy-held shores, conducting maritime sabotage against enemy shipping and shipping installations, and providing tactical assistance to conventional forces. Provisional Basic Field Manual puts the sabotage and maritime manuals in proper context, showing how the objectives of physical and morale subversion fit into the overall mission statement and structure of the organization. These rare manual reprints are essential study for anyone interested in the activities of the clandestine community during World War II.

Appointment in Tehran James Stejskal, 2021-08-31 Set against the backdrop of the 1979 Iranian hostage crisis, a spy thriller from a former U.S. Special Forces and CIA operative. When radical Iranian students seize the U.S. Embassy compound in Tehran and take over fifty diplomats hostage, the U.S. President has to negotiate with a government that wants only to humiliate the United States. When talks fail, the President must turn to the military to bring the Americans home by force. As preparations are made for an audacious rescue, an American intelligence officer hides alone in a Tehran safehouse with a secret: He is protecting a powerful weapon known as the Perses Device, which is now at risk of being captured and employed against the United States. The Agency Director orders that it must be brought out at all costs. But as a small American team clandestinely enters Tehran to lead the way for the rescue force, a traitor spills the secret, and KGB Spetsnaz operatives begin their own search for the weapon. At the last minute, one more American is added to the advance team; his sole mission is to get the Agency officer and the Perses device to safety. When the rescue mission fails, only two Americans are left to run the gauntlet of enemy agents and get the weapon out. Getting in was easy. Gripping suspense, appealing characters, and an insider's familiarity with clandestine operations make Stejskal's realistic novels first-rate spy fiction.

Paul Vidich, author of *Beirut Station*. A brilliant non-stop nail-biting tension fest to its jaw-dropping finale.

Michelle Medhat, author of *The Trusted* spy thriller series.

Operational Groups Field Manual Oss Reproduction Branch, 1944-04-25 The Second World War era Office of Strategic Services (OSS) was the forerunner of today's CIA. During the war, the organization planned and executed thousands of covert operations behind enemy lines from North Africa to Europe to Asia. This publication reproduces the famous OSS 1944 Operational Groups Field Manual. OSS Operational Groups were made up of foreign language-speaking operatives trained to operate as special forces units in occupied territory. Operational Groups organized resistance groups.

trained them organized supply drops of weapons and ordnance then led them in attacks against enemy targets The OSS Operational Groups Field Manual describes the selection training and operational employment of Operational Group personnel Classified Secret in its day this manual was only fully declassified in the past few years This is near perfect reproduction of the original publication with all wartime classification markings intact With the originals all but extinct outside the US National Archives OSS collection this series is a must have for any military scholar or for special operations or intelligence community personnel wishing to honor their heritage The titles available in this series include Special Operations Field Manual Operational Groups Field Manual Simple Sabotage Field Manual Secret Intelligence Field Manual Morale Operations Field Manual Maritime Unit Field Manual **Manual-training Course of Study, and Teachers' Manual** New York (N.Y.). Board of Education,1888 FCC Record United States. Federal Communications Commission,1999 *The Scientific Method* Louis Frederick Fieser,1964 The author records episodes during World War II when he became involved in projects requiring incendiary devices of assorted and unconventional types Post war projects include development of devices for student experimentation and teaching He shows how the scientific method was used on a range of projects from designing a device to ignite oil slicks on water to creating a squirrel proof birdfeeder *The OSS and Ho Chi Minh* Dixee R. Bartholomew-Feis,2006 Some will be shocked to find out that the United States and Ho Chi Minh our nemesis for much of the Vietnam War were once allies Indeed during the last year of World War II American spies in Indochina found themselves working closely with Ho Chi Minh and other anti colonial factions compelled by circumstances to fight together against the Japanese Dixee Bartholomew Feis reveals how this relationship emerged and operated and how it impacted Vietnam s struggle for independence Although the OSS did not bring Ho Chi Minh to power Bartholomew Feis shows that its apparent support for the Viet Minh played a significant symbolic role in helping them fill the power vacuum left in the wake of Japan s surrender Her study also hints that had America continued to champion the anti colonials and their quest for independence rather than caving in to the French we might have been spared our long and very lethal war in Vietnam Based partly on interviews with surviving OSS agents who served in Vietnam Bartholomew Feis s engaging narrative and compelling insights speak to the yearnings of an oppressed people and remind us that history does indeed make strange bedfellows Maritime Unit Field Manual Reproduction Branch,1944-07-18 The Second World War era Office of Strategic Services OSS was the forerunner of today s CIA During the war the organisation planned and executed thousands of covert operations behind enemy lines from North Africa to Europe to Asia This publication reproduces the OSS 1944 Maritime Unit MU Field Manual It describes the capabilities and training of the MU clandestine insertion underwater attacks on shipping and covert resupply operations for secret agents and resistance forces An appendix to the manual provides an illustrated overview of the MU s equipment and operational techniques This is near perfect reproduction of the original publication with all wartime classification markings intact With the originals all but extinct outside the US National

Archives OSS collection this series is a must have for any military scholar or for special operations or intelligence community personnel wishing to honor their heritage The titles available in this series include Special Operations Field Manual Operational Groups Field Manual Simple Sabotage Field Manual Secret Intelligence Field Manual Morale Operations Field Manual Maritime Unit Field Manual World War II Spies Michael Burgan,2013 Describes the role spies played during World War II Readers choices reveal various historical details **Almost** Joseph J. Gelleny,2000 *Manual Training Magazine* Charles Alpheus Bennett,William Thomas Bawden,1924 **Florida Administrative Weekly**,1998 **OSS Field Manuals** Strategic Services Division Staff,2015-06-29 This Reprint of the OSS the Operational Groups Field Manual was printed and made available for the information and guidance of selected OSS personnel and was used as the basic doctrine for Strategic Services training for the operations of these groups *Simple Sabotage Field Manual (Annotated)* Move My Brain,2025-03-13 Originally classified as Secret and developed by the Office of Strategic Services OSS the predecessor of today s CIA this 1944 Simple Sabotage Field Manual was designed to empower ordinary citizens in occupied territories to disrupt enemy operations in WW II From North Africa to Europe to Asia the OSS orchestrated countless covert missions and this guide provided instructions on how ordinary civilians and workers could subtly and innocently sabotage the much needed supply chains transportation and administration crippling enemy forces without direct combat If discovered they faced death Why This Book Is A Must Have It s entirety has never been offered before Not only do you get all the original chapters and unabridged complete text but there is so much more Chapter Summary Each original chapter has an advanced annotation summary of what s to come Movies and Family Resources Declassified movies for all to see Kill or be Killed The Gentle Art of Murder OSS Training Missions Weapons Guns of the OSS The OSS Who Are They OSS Spy Training Movie Untold Stories and Covert Acts Firearms Used to Kill by the OSS Nuclear Weapons Operation Hummingbird The Nazi Fuel The Woman Who Outsmarted The Gestapo Now carefully republished by Move My Brain this edition stays true to the original wartime field manual document preserving its authenticity and historical significance The most chilling part Many of these low tech Simple Sabotage techniques remain surprisingly effective today making this manual a fascinating and relevant read for historians intelligence professionals and even modern day managers seeking insight into organizational vulnerabilities Order your copy today All original spelling and punctuation have been deliberately retained to honor the authenticity of the Office of Strategic Services original creation **Public Utilities Reports** Henry Clifford Spurr,Elsworth Nichols,2002 **Annual Report** New York State Reformatory (Elmira, N.Y.),1897 *Manual of Military Training* James Alfred Moss,1914 U.S. Army Special Warfare Alfred H. Paddock,2002 Paddock also includes new sections on American psychological warfare in the Pacific the Army Rangers the 1st Special Service Force and American led guerrillas in the Philippines BOOK JACKET *Minutes of the Board of Superintendents*,1916
