successful head of his Oxford college and made it a home for foreign scholars and students Devoted to teaching the writers of numerous books for undergraduates and theology students and thoroughly involved in his College s everyday affairs he was a model rector In this study John Maddicott addresses at length both with Prideaux s political and ecclesiastical career and his role in the College while also paying particular attention to his personality his family life he was twice married and had nine children and to his wide circle of relatives colleagues and allies Born the son of a Devonshire yeoman and brought up on a farm on the edge of Dartmoor he rose to occupy some of the highest offices in the university of Oxford and in the church a result of his intellectual power his ambition his learning and scholarship and his capacity for hard work Between Scholarship and Church Politics is as much a study of character as a contribution to the political and church history of early Stuart England *The Law Times* ,1847 **The Chinese Communist Party's Nomenklatura System** John P. Burns,1989

The Wesleyan methodist Church record ,1894 *Digest; Review of Reviews Incorporating Literary Digest* ,1892
