**Our House in the Last World** Oscar Hijuelos, 2024-04-09 A first generation Cuban son comes of age in the debut and most autobiographical novel by the Pulitzer Prize winning author of *The Mambo Kings Play Songs of Love* Winner of the Ingram Merrill Foundation Award and the Rome Prize Hector Santinio is the younger son of Alejo and Mercedes who moved to New York from Cuba in the mid 1940s The family of four shares their modest apartment with extended relatives in Harlem where homesickness and nostalgia are dispelled by nights of dancing and raucous parties But life's realities are nevertheless harsh in the Santinio family's adoptive land When Mercedes takes Hector and his brother to visit Cuba to better know her culture Hector contracts a serious illness that leads to a terrifying period of hospitalization back in the United States where isolated from his family he loses much of his ability to speak Spanish And it is this fracturing that sparks a lifelong quest to not only reconcile his Cuban identity with his American one but to also understand his parents' ambitions and anxieties within the country at large In this profoundly moving account of immigrant life Oscar Hijuelos displays once again his mastery over both character and language and sets readers on an unforgettable journey of hope longing and self discovery Includes a Reading Group Guide *New York Magazine*, 1993-03-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *New York Magazine*, 1993-03-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Sunday-school World*, 1894 *Primitive Methodist World and Sunday School Worker*, 1896 *U.S. Latino Literature* Margarite Fernández Olmos, Harold Augenbraum, 2000-09-30 In the past ten years literature by U S Latinos has gained an extraordinary public currency and has engendered a great deal of interest among educators Because of the increase in numbers of Latinos in their classrooms teachers have recognized the benefits of including works by such important writers as Sandra Cisneros Julia Alvarez and Rudolfo Anaya in the curriculum Without a guide introducing courses on U S Latino literature or integrating individual works into the general courses on American Literature can be difficult for the uninitiated While some critical sources for students and teachers are available none are dedicated exclusively to this important body of writing To fill the gap the editors of this volume commissioned prominent scholars in the field to write 18 essays that focus on using U S Latino literature in the classroom The selection of the subject texts was developed in conjunction with secondary school teachers who took part in the editors course This

resultant volume focuses on major works that are appropriate for high school and undergraduate study including Judith Ortiz Cofer's *The Latin Deli*, Piri Thomas' *Down These Mean Streets* and Cisneros' *The House on Mango Street*. Each chapter in this Critical Guide provides pertinent biographical background on the author as well as contextual information that aids in understanding the literary and cultural significance of the work. The most valuable component of the critical essays, the Analysis of Themes and Forms, helps the reader understand the thematic concerns raised by the work, particularly the recurring issues of language expression and cultural identity assimilation and intergenerational conflicts. Each essay is followed by specific suggestions for teaching the work with topics for classroom discussion. Further enhancing the value of this work as a teaching tool are the selected bibliographies of criticism, further reading, and other related sources that complete each chapter. Teachers will also find a Sample Course Outline of U.S. Latino Literature which serves as a guide for developing a course on this important subject.
