athlete in America And I'm glad they did Denver Broncos executive John Elway said The Broncos made the most buzz worthy signing in the history of NFL free agency during March of 2012 Despite missing a season with a neck injury that threatened to end his brilliant career Manning was acquired to lead the Broncos back to Super Bowl glory We don't have a Plan B Elway declared as he presented Manning with an orange No 18 jersey We're going with Plan A Even for a quarterback as decorated as Manning his task in Denver was daunting At age 36 Manning had to relearn to throw the football with a right arm that had suffered extensive nerve damage The new quarterback in town had to convert devout fans of Tim Tebow who won games in the name of Jesus A brutal early season schedule left the Broncos with a 2 3 record as whispers grew the old Pro Bowler had lost his touch What happened next is one of those great comeback stories that make us fall in love with sports Manning went from washed up to nearly unbeatable He led Denver to 11 consecutive victories to close the regular season More important Manning lifted the Broncos back to the elite status that had been slipping away since Elway retired as quarterback in 1999 How did Manning do it On the practice field he can be a perfectionist who is a pain in the ass On the team plane he can be a comedian who has teammates rolling in the aisles To get inside football's most beautiful mind award winning journalist Mark Kiszla takes readers from raucous locker rooms to quiet film rooms for a behind the scenes look at Manning's remarkable revival Football is a violent game Life can be a contact sport Before moving to Denver Manning was sacked 231 times by NFL defenders but never harder than the 232nd when Colts owner Jim Irsay hit him with a shot that shook the veteran QB to his core So the toughest question for Manning was the same as the uncertainty facing any proud worker who has been slapped with a termination note How does a man respond after he gets knocked on his butt Manning is the master of the no huddle offense But with his physical ability fading and anything less than a championship considered failure Manning has never had to beat the clock with such urgency There's no time to waste No excuses No looking back No Plan B

Peyton Manning Mark Kiszla, 2016-09-30 Peyton Manning is America's quarterback And America loves a great comeback story Less than two years after Manning was fired from the Indianapolis Colts he led the Denver Broncos to the Super Bowl and won pro football's Most Valuable Player award for the fifth time In 2013 Manning broke the league record for touchdown passes in a single season despite a body weakened by multiple neck surgeries that threatened to end his career Manning did it against all odds in a manner inspirational to any football fan or anybody who has ever lost a job and been forced to start over Peyton Manning The Last Rodeo follows Manning's remarkable season with the Broncos on a wild ride to the championship game Through it all from the suspension of a star teammate to the heart ailment of his head coach Manning carried the Broncos and reminded us why he is one of America's most beloved role models **American Book Publishing Record**, 2000 [The Smart Girl's Guide to Sports](#) Liz Hartman Musiker, 2005 A fun and accessible introduction to the wide world of sports For every woman who feels out of her league when her significant other spends nights glued to ESPN or when the guys talk sports at work The Smart Girl's Guide to Sports is here to level the playing field A crash course in football
