W. Weddell, Bill Weddell, 2006

UNIQUE FEATURES Designed to be used as a desk top manual Describes the main features of the contracts in the NEC family Includes guidance on which NEC contract is appropriate for a particular project and how to prepare it Useful for those who need more information about the NEC and its philosophy Includes exercises at the end of several chapters to stimulate discussions about the many factors that need to be considered in choosing the right NEC contract

BACKGROUND INFORMATION The last decades of the twentieth century saw huge changes in construction in the UK particularly in procurement methods and contract strategy In this book the author describes these changes as a construction reformation and suggests that the advent of the NEC played an important part in promoting those changes Since its introduction to the construction sector in 1991 the NEC has been highly recommended in the Latham Report and more recently by the Office of Government Commerce and is now widely used on many small and large projects in the UK and worldwide

ENSURING PROJECT OBJECTIVES In this guide Bill Weddell a long standing member of the NEC Panel and a highly respected consultant and trainer on the NEC utilises his skills and wide knowledge of the NEC to provide new and existing users with guidance on how to select and implement NEC contracts to suit differing project needs and objectives

ACCURATE CONTRACT STRATEGIES This guide explains in a concise and practical manner how to decide on the appropriate contract strategy for any given project and how to prepare the contract document for each type of NEC contract It describes each of the documents and explains the selection methods for the various options and how these are used to produce the contract document The book also clarifies some of the distinguishing features of the NEC contracts in contrast to the more traditional standard forms and explains how the management procedures in each contract can be used to achieve the Employer s objectives by effective control of time cost and quality

THE READERSHIP This guide is a valuable tool for anybody involved in the NEC supply chain including clients consultants contractors subcontractors project managers quantity surveyors adjudicators and service suppliers across the complete spectrum of construction activity

ABOUT THE AUTHOR Bill Weddell was on the original NEC Working Group and drafting team and has been involved in the later development of the NEC family of contracts up to the publication of NEC3 He has long experience of both design and construction of major civil engineering works including highways bridges docks and harbours tunnels and sea defence works He was Head of Contracts for a firm of consulting engineers and is now a contract consultant and runs training courses on the NEC

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
