Detective Jarrod Harmon has a lot of dead bodies and very few leads that make any kind of sense. Finding out who is using the city's homeless population to test a deadly drug becomes even more complicated when the evidence fails to add up and his feelings for the assistant director of the local homeless shelter begin to get in the way. Carrie Hastings knows she has her work cut out for her if she's going to keep her shelter's new clinic open. With the police looking at one of her physicians as the prime suspect in the deaths of several homeless people she'll need to keep her wits about her if she's going to save the clinic. Sadly her wits seem to fly out the window when a certain detective comes asking tough questions. In a case where there are more questions than answers Jarrod and Carrie will have to race against the clock to find out who's behind such a ruthless crime. Sara Blackburn is determined as hell though and she's not going to take no for an answer. Soon a madman takes the choice out of Warrick's hands and he finds himself fighting for his life and Sara's.
