Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 *Long Night's Journey into Day* is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices

Holocaust Literature Kathleen Gagnon, Dianne Ruxton, 1997 Explores prejudice and historical context through cooperative learning activities Includes probing exercises that appeal to students across a wide spectrum of interests and abilities Highlights grammar and stylistic devices and provides writing practice

Continuing Revelation Bryan Buchanan, 2021-07-26 Determining what is and what is not Mormon doctrine is a difficult endeavor The Church of Jesus Christ of Latter-day Saints embraces four books of scripture as its canon but also believes the church is led by a living prophet Additions to the canon have been rare since the death of church founder Joseph Smith Joseph Fielding Smith tenth church president said that if the prophet ever contradicts canon canon prevails On the other hand Ezra Taft Benson the church's thirteenth president said that the living prophet's words are more important than canon Such messages create no shortage of confusion among church members The question What is doctrine opens the door for theologians and historians to wrestle over the answer and to do so thoughtfully and insightfully In *Continuing Revelation* editor Bryan Buchanan has compiled essays that seek greater understanding about what doctrine is and why it matters

Gary Weissman,2018-07-05 Fantasies of Witnessing explores how and why those deeply interested in the Holocaust yet with

no direct familial connection to it endeavor to experience it vicariously through sites or texts designed to make it real for nonwitnesses Gary Weissman argues that far from overwhelming nonwitnesses with its magnitude of horror the Holocaust threatens to feel distant and unreal A prevailing rhetoric of secondary memory and trauma he contends and efforts to portray the Holocaust as an immediate and personal experience are responses to an encroaching sense of unreality In America we are haunted not by the traumatic impact of the Holocaust but by its absence When we take an interest in the Holocaust we are not overcoming a fearful aversion to its horror but endeavoring to actually feel the horror of what otherwise eludes us Weissman focuses on specific attempts to locate the Holocaust in the person of Elie Wiesel the most renowned survivor and his classic memoir *Night* in videotaped survivor stories and Lawrence L Langer s celebrated book *Holocaust Testimonies* and in the films *Shoah* and *Schindler s List* These representations he explains constitute a movement away from the view popularized by Wiesel that those who did not live through the Holocaust will never be able to grasp its horror and toward re-creating the Holocaust as an experience nonwitnesses may put themselves through It is only by acknowledging the desire that gives shape to such representations and by exploring their place in the ongoing contest over who really knows the Holocaust and feels its horror that we can arrive at a more candid assessment of our current and future relationships to the Holocaust he says
