**Improving Mental Health for Immigrant Populations** Margarita Alegria,Linda Juang,Amy Marks,Tiffany Yip,2021-12-31 *Mental Health of Refugees* Paul M.G. Emmelkamp,2023-07-24 The book provides a comprehensive review of mental health in refugees by discussing its multiple dimensions and analyzing epidemiology etiology and culturally adapted assessment and treatment Key topics include why certain refugees cope successfully with traumatic experiences while others do not and the biological psychological and social processes underlying posttraumatic stress disorder common mental disorders substance abuse and personality disorders The text examines topics such as complexities of diagnosis treatment and recovery for refugees Furthermore the roles of culture social support and mental health workers in the process of overcoming mental health problems in refugees are discussed Together the chapters provide an in depth examination of the current understood causes and impacts of mental health problems and treatment of refugees to inform future work in the field The book gives its readers a solid basis for understanding mental health problems of refugees and sets out to present practitioners with a state of the art summary of all the latest developments and practical guidance Furthermore this book provides the practitioner with instructions on how culturally adapted treatments can be used not only with adults but also with children and young people to help the practitioner to prepare for working with this difficult client group Drawing from a range of different fields of study this text will appeal to readers across psychological mental health medical and academic disciplines **Research Methods in Conflict Settings** Dyan Mazurana,Karen Jacobsen,Lacey Andrews Gale,2013-07-22 Increasing numbers of researchers are working in regions experiencing high levels of conflict or crisis or among populations that have fled violent conflict to become refugees or internally displaced persons Understanding these conflicts and their aftermath should be shaped not only by the victors and their elite companions but also by the local people whose daily lives become intertwined with the conflict this view from below is explored in this volume Conducting rigorous research in these contexts presents a range of ethical methodological logistical and security challenges not usually confronted in non conflict field contexts This volume compiles lessons learned by experienced field researchers many of whom have faced demanding situations characterized by violence distrust and social fragmentation The authors offer options for studying the situations of people affected by conflict and by focusing on ethical and security issues seek ways to safeguard the interests and integrity of the research subjects and of the researchers and their teams **Migrants and Refugees in Southern Europe beyond the News Stories** Carlos Arcila Calderón,Andreas Veglis,2023-03-15 In this book contributors analyze the knowledge about human mobility its interaction with news and social media and the way this impacts the attitudes of local societies and the integration of immigrants After a general contextualization of migration dynamics in Southern Europe and its impact during the 21st Century the central chapters of the book offer the results of three scientific studies conducted in Spain Italy and Greece about the representation of migration in news media and social

platforms These studies consist of an analysis of the frames used in news photographs about migrants and refugees in relevant news outlets a computational study of online hate speech in social media based on racism and xenophobia and a comprehensive qualitative evaluation of the perceptions that journalists specializing in migration may have about the interconnection between migration and journalism Scholars of communication migration studies and journalism will find this book of particular interest **Refugee Women** Giovanna Campani,2004 Examines the treatment of women refugees in three member countries of the European Union Germany Italy and the U K and in Canada and the U S Compares findings between the five countries *Selected Papers on Refugee Issues* ,1993 Oxford Textbook of Migrant Psychiatry Dinesh Bhugra,2021 The Oxford Textbook of Migrant Psychiatry brings together the theoretical and practical aspects of the mental health needs of migrants refugees and asylum seekers into one comprehensive resource for researchers and professionals

**Refugees as Immigrants** David W. Haines,1989 The purpose of this book is to provide the reader with access to an important body of information taken from surveys on the initial adaptation of South East Asian refugees to the United States The material devided into eight chapters with numerous tables is an extension of the findings presented at a panel on the experiences of South East Asian refugees held in May 1986 at the annual meeting of the American Association for the Advancement of Science The book according to the editor serves as an introduction to a specific kind of research on the adaptation of these refugees as one recent set of immigrants to the United States The introductory chapter gives some general characteristics of the immigrant population the contexts of refugee adaptation and an overview of research on South East Asian refugees Chapter 2 describes the annual surveys sponsored by the Office of Refugee Resettlement ORR and its predecessors especially those between 1981 and 1985 Chapter 3 entitled Differential reference group assimilation among Vietnamese refugees reports the findings of a three year panel study of Vietnamese refugees conducted from 1978 to 1981 in Northern California and the central Gulf Coast Two other chapters deal with the period 1975 1979 concentrating on adaptation within specific areas of the United States A separate chapter describes a survey of Indo Chinese refugees in San Diego California between 1975 and 1981 Another survey concentrates on the general pattern of refugee achievement the socio cultural basis for the economic and educational success of South East Asian refugees The last chapter gives the result of a comprehensive longitudinal study by the Indochinese Health and Adaptation Research Project IHARP in San Diego California It encompasses the major waves from 1975 to 1983 and all of the main ethnocultural groups of South East Asian refugees in the United States It includes sections on English proficiency occupational adaptation economic adaptation health status psychological adaptation economic self sufficiency education fertility and adaptation and depression and adaptation

*Palestine Refugee Program* ,1953 Official Records ,1994 *From Negative to Positive Stability* Ben Connable,2015 As of late 2014 many American and Jordanian experts believe Jordan to be stable Yet while Jordan is stable it faces a range of existing and emerging challenges These include chronic unemployment sporadic political unrest budget deficits a water

shortage and geographically isolated yet troubling internal security concerns The Syrian refugee crisis both exacerbates these challenges and offers opportunities to the government of Jordan If the Syrian refugees remain relatively content and continue to assimilate into northern and central Jordan they might directly benefit the Jordanian economy by stimulating growth Donors and lenders have increased their support to Jordan in turn offering the government an opportunity to improve the lives of both Syrian refugees and Jordanian citizens Most important Jordan benefits from what one expert terms negative stability Jordanian citizens might be dissatisfied with many aspects of their government but the chaos in neighboring states has thus far dissuaded Jordanians from pursuing civil or violent actions that might destabilize Jordan Jordanians do not want their country to look like Syria Iraq or Egypt Jordan is likely to undergo further and perhaps unforeseen challenges in 2015 and 2016 but it has the opportunity to alleviate many of its enduring challenges If Jordan wisely invests forthcoming international refugee support it has the opportunity to shift popular outlook from negative to positive and more optimistic stability This report's analytic forecasts should help the United States determine how to support Jordan as it faces the Syrian refugee crisis Publisher's description **Migration News**, 1987 **Migration Health Services Medical Manual**, 2001 **A National Project** Leah K. Hamilton, Luisa Veronis, Margaret Walton-Roberts, 2020-08-20 Since the outbreak of the Syrian Civil War in 2011 over 5.6 million people have fled Syria and another 6.6 million remain internally displaced By January 2017 a total of 40,081 Syrians had sought refuge across Canada in the largest resettlement event the country has experienced since the Indochina refugee crisis Breaking new ground in an effort to understand and learn from the Syrian Refugee Resettlement Initiative that Canada launched in 2015 A National Project examines the experiences of refugees receiving communities and a range of stakeholders who were involved in their resettlement including sponsors service providers and various local and municipal agencies The contributors who represent a wide spectrum of disciplines include many of Canada's leading immigration scholars and others who worked directly with refugees Considering the policy behind the program and the geographic and demographic factors affecting it chapters document mobilization efforts ethical concerns integration challenges and varying responses to resettling Syrian refugees from coast to coast Articulating key lessons to be learned from Canada's program this book provides promising strategies for future events of this kind Showcasing innovative practices and initiatives A National Project captures a diverse range of experiences surrounding Syrian refugee resettlement in Canada **Asian Survey**, 1972 **The Diseases of Personality** Théodule Ribot, 1887 **Humboldt library of science. no. 95, 1887**, 1887 **Diseases of Memory, Diseases of the Will, and Diseases of Personality** Théodule Ribot, 1883 **Post-communist Transition to a Market Economy** Domenico Mario Nuti, Milica Uvalić, 2003 **The Commercial & Financial Chronicle and Hunt's Merchants' Magazine**, 1876
