Nikon D7100 Reference Manual:

Mastering the Nikon Darrell Young, 2013-09-18 *Mastering the Nikon D7100* by Darrell Young provides a wealth of experience based information and insights for owners of the new D7100 camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step by step setting adjustments, color illustrations, and detailed how when and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user friendly manner with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions while feeling as if a friend dropped in to share his knowledge. The learning experience for new D7100 users goes beyond just the camera itself and covers basic photography technique.

Nikon D7100 For Dummies Julie Adair King, 2013-06-04 *A must have full color guide to the Nikon D7100* The Nikon D7100 is an ideal camera for beginning photographers who may lack structured photography training but are still eager and determined to take great photos. And that's where this fun and friendly guide comes in handy. Packed with more than 300 full color photos, this introductory guide begins by helping you get a feel for the camera, get comfortable shooting in auto mode, managing playback options, and handle basic troubleshooting strategies. Veteran author Julie Adair King walks you through the D7100's features and encourages you to take creative control so that you can start capturing stunning pictures immediately. Packed in more than 300 full color photos that exemplify the basic photo skills needed to get great shots. Shares a wealth of information from one of the most popular digital photography authors. Walks you through adjusting manual settings to get better results from exposure, lighting, focus, and color. Contains an entire chapter on video mode. Explains how to send images to a computer for organizing, editing, and sharing. *Nikon D7100 For Dummies* helps you get a grasp on your camera's controls so you can start taking memorable photos today.
