

Oswald Spengler

**Oswald Spengler, Arthur Helps, Charles
Francis Atkinson**

Oswald Spengler:

Oswald Spengler and the Politics of Decline Ben Lewis, 2022-07-08 Oswald Spengler was one of the most important thinkers of the Weimar Republic but very little has been published on his politics philosophy and life especially in the English language Oswald Spengler and the Politics of Decline transforms the pre existing picture of Spengler by demonstrating how Spengler s radical opposition to liberal democracy was an unwavering facet of his thought from 1918 onwards It adopts a completely novel approach by placing a new emphasis on his political activities and writings and is unique in explaining the interplay between Spengler s meta historical considerations on world history and the practical demands of Realpolitik throughout the complex discourse of German national renewal *Oswald Spengler* H. Stuart Hughes, 1991-01-01 Since its publication in 1918 Oswald Spengler s *The Decline of the West* has been the object of academic controversy and opprobrium In their efforts to dispose of it scholars have resorted to a variety of tactics bitter invective icy scorn urbane mockery or simply pretending that the book is not there Yet generations of readers have refused to be warned off finding in Spengler a prophetic voice and a source of profound intellectual excitement H Stuart Hughes s Oswald Spengler offers a judicious and objective reading of Spengler s works that admirably fills the gap between hypercritical invective and na ve enthusiasm This pioneering volume makes clear why Spengler s pessimistic reading of the fate of European civilization continues to resonate with contemporary anxieties Despite the author s self imposed intellectual and social isolation Spengler s work was as Hughes demonstrates a part of the enormous effort of intellectual reevaluation that has characterized the early twentieth century Viewing Spengler in the broadest possible perspective the author places his thought in its cultural relationship to that of such predecessors as Giambattista Vico Friedrich Nietzsche and Nikolai Danilevsky and contemporaries including Benedetto Croce Henri Bergson and Vilfredo Pareto A chapter of Hughes s book is devoted to Spengler s influence on later cyclical thinkers such as Arnold Toynbee and Pitirim Sorokin Another chapter clarifies the essentially antagonistic relationship between his thought and Nazi ideology Throughout Hughes is carefully attuned to the complex and often bewildering shifts of Spengler s ideas and manner providing a unified picture of the sober historian the lofty seer the cool detached observer and the impassioned participant In his introduction to this new edition Hughes comments on the timeliness of Spengler s message with respect to technology and environmental issues and draws some unexpected and fascinating parallels between Spengler s thought and that of Ludwig Wittgenstein Oswald Spengler offers an illuminating view of the achievements and limitations of one of the most influential and representative figures of the twentieth century It will be of concern to intellectual historians philosophers political scientists and sociologists *The Decline of the West* Oswald Spengler, Arthur Helps, Charles Francis Atkinson, 1991 Spengler s work describes how we have entered into a centuries long world historical phase comparable to late antiquity and his controversial ideas spark debate over the meaning of historiography **Letters of Oswald Spengler** Oswald Spengler, 1966 **Early Days of World History** Oswald

Spengler,2022-10-03 In Early Days of World History Oswald Spengler paints a dramatic and highly informative vista of humanity's ancient past. Swarms of savage tribes clash with and finally conquer sophisticated civilisations; emperors replace kings and peasants revolt against their masters. From the scorching deserts of Kash to the frozen tundra of the eternal North, sceptres are passed and throne rooms razed while nations disappear and new tongues become dominant. The pirate castle of Troy besieged and burned and the Magian culture welcoming a saviour with empire-consolidating powers. Spengler chronicles the rise and fall of pagan peoples before the advent of Christ constricted their destinies through modern universalism. From the wanderings of old folk souls across withered Bronze Age landscapes to the first clumsy stirrings of newly born peoples in the cradle of high cultures not yet mature, these posthumously published thoughts by one of the greatest philosophers of history the West has ever known present a vivid and detailed ride through a world far removed from but yet eerily familiar to us. In this perfect companion piece to *The Decline of the West* we can see Spengler at his razor-sharp analytical best tackling the issues affecting the world in its youth.

Oswald Spengler als Philosoph August Messer,2016-08-10 August Messer 1867-1937 war ein deutscher Philosoph. Nachdruck des Originals von 1924. *The Decline of the West* Oswald Spengler,1962 Corrigenda to volume I 2 leaves laid in v 1 Form and actuality v 2 Perspectives of world history.

History and Prophecy Klaus P. Fischer,1989 This book provides insight into the work of Oswald Spengler 1880-1936, one of the most prophetic minds of the 20th century whose dire historical predictions of world wars, ecological disasters, gigantic cities with unrestrained urban sprawl, increasing race conflicts, failure of nerve among the ruling elites and rapid decline of cultural norms have more than passed the test of time. Besides focusing on Spengler the prophet and the controversies which surrounded his name in the 1920s, this book also emphasizes Spengler's pioneering role in the development of a comparative study of cultures based on biological principles.

Oswald Spengler Henry Stuart Hughes,1983 Oswald Spengler, a Critical Estimate H. Stuart Hughes,2003-01-01

Man and Technics Oswald Spengler,2015-01-30 In this new and revised edition of Oswald Spengler's classic *Man and Technics* Spengler makes a number of predictions that today more than eighty years after the book was first published have turned out to be remarkably accurate. Spengler predicted that industrialisation would lead to serious environmental problems and that countless species would become extinct. He also predicted that labour from Third World countries would increasingly outcompete Western workers by doing the same work for much lower wages and that industrial production would therefore move to other parts of the world such as East Asia, India and South America. According to Spengler, technology has not only made it possible for man to harness the forces of nature, it has also alienated him from nature. Modern technology now dominates our culture instead of that which is natural and organic. After having made himself the master of nature, man has himself become technology's slave. The victor crashed is dragged to death by the team. Spengler summarises: Finally Spengler foresaw that Western man would eventually grow weary of his increasingly artificial lifestyle and begin to hate the civilisation he himself created. There

is no way out of this conundrum as the unrelenting progress of technological development cannot be halted The current high tech culture of the West is therefore doomed destined to be consumed from within and destroyed A time will come Spengler writes when our giant cities and skyscrapers have fallen in ruins and lie forgotten just like the palaces of old Memphis and Babylon It remains to be seen if this last and most dire of Spengler s prophecies will also come true **Oswald Spengler.**

Selected Essays. Translation and Introduction by Donald O. White Oswald Spengler, Donald Owen WHITE, 1967

The Hour of Decision Oswald Spengler, 2023-09 In *The Hour of Decision* Oswald Spengler portrays a brutally critical image of modern Western civilization According to Spengler the West is destined for decay and heading towards its demise poisoned by excessive rationalism a lack of functioning hierarchies and widespread alienation Spengler s observations are rooted in Germany during the interwar period a time characterized by political unrest and economic chaos It was clear to Spengler that the world following the imminent international showdown would hardly be recognizable He regarded our era as the most fateful and serious in human history a phase in which the destiny of peoples and nations would be determined *The Hour of Decision* *Jahre der Entscheidung* quickly became a commercial success when it was published in Germany in 1933 However it was later banned because Spengler criticized Nazi politics in various ways including a rejection of their racial biological foundations **The Decline of the West** Oswald Spengler, 1962 This abridgment of Spengler s great

classic prepared by the German scholar Helmut Werner with the blessing of the Spengler estate consists of selections from the original the complete authorized English translation by Charles Francis Atkinson linked by explanatory passages which have been translated by Arthur Helps from dust jacket *Twilight of the Evening Lands* John Fauntleroy Fennelly, 1972

Oswald Spengler's Geopolitical System and National Socialism Johann von Leers, 2025-11-21 Johann von Leers Oswald Spengler s *Geopolitical System and National Socialism* 1934 is a sharp polemical critique of Oswald Spengler s philosophy of history and politics written from the standpoint of a committed National Socialist Leers sets out Spengler s major ideas historical determinism the cyclical rise and fall of civilizations the inevitability of decline and his concept of Caesarism and contrasts them sharply with the National Socialist worldview Leers repeatedly emphasizes that Spengler s determinism ignores the realities of race and biology which for National Socialists were central to history He argues that Spengler s pessimism elitism liberalism and hostility to the German working class amount to a disguised form of bourgeois counterrevolution favoring individualistic capitalism and imperialist Caesarism Oswald Spengler thus cannot be regarded as a thinker aligned with National Socialism but as a subversive rival philosopher within the liberal conservative camp **The Decline of the West: Form and actuality** Oswald Spengler, Charles Francis Atkinson, 1926 Contains Spengler s well known work on the history of and the rise and fall of various civilizations *Prophet of Decline* John Farrenkopf, 2001 Oswald Spengler 1880 1936 is best known for *The Decline of the West* in which he propounded his pathbreaking philosophy of world history and penetrating diagnosis of the crisis of modernity In *Prophet of Decline* John Farrenkopf takes advantage of the

perspective the new millennium provides to reassess this visionary thinker and his challenging ideas on history politics and modern civilization Farenkopf s assessment ranges widely covering Spengler s ideas on democracy capitalism science and technology cities Western art social change and human exploitation of the environment He also illuminates the implications of Spengler s thought for contemplating from a fresh view point the future of the United States the leading power of the West Farrenkopf proves that the conventional picture of Spengler as a consistently antidemocratic thinker is not only simplistic but erroneous Drawing upon Spengler s private papers he advances a bold new interpretation of the evolution of Spengler s political thought uncovering an early phase in the years before Germany s traumatic defeat in World War I during which Spengler was a conservative advocate of the quasi democratization of the Second Reich He examines Spengler s relationship to German historicism his place in the German traditions of cultural pessimism and Realpolitik and his critical stance toward Nazism BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Decline of*

the West... by Oswald Spengler ; Authorized Translation with Notes by Charles Francis Atkinson Oswald Spengler,1927

The hour of decision, part 1, by oswald spengler Oswald Spengler,1934

When somebody should go to the ebook stores, search introduction by shop, shelf by shelf, it is in reality problematic. This is why we present the books compilations in this website. It will enormously ease you to look guide **Oswald Spengler** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you seek to download and install the Oswald Spengler, it is unconditionally simple then, previously currently we extend the link to purchase and create bargains to download and install Oswald Spengler therefore simple!
