Our Gay Son David Robert-john,2012-01-16 Our Gay Son is a moving account of the struggle of a Christian father to uncover the truth about homosexuality following the discovery that his younger son was gay This son along with all other gay people was accused and condemned in the courts of most branches of Christianity without a fair trial David Robert John begins his quest by first seeking healing for his stricken son As events unfold however his journey takes unexpected turns and the validity of the case against gay people is called into question along with the legitimacy of his own beliefs Davids wife and son then add their own revealing insights This will be a rewarding reading experience for anyone who is struggling or who has ever struggled to come to terms with having a different sexuality and it can be read with equal profit by those most closely associated with them particularly parents First Truths; or, Lessons and hymns for Christian children.
