Out Of Time The Pleasures And The Perils Of Ageing:

Out of Time Lynne Segal, Elaine Showalter, 2014-07-01 A brave book with a polemical argument on the paradoxes struggles and advantages of aging. How old am I? Don't ask, don't tell. As the baby boomers approach their sixth or seventh decade, they are faced with new challenges and questions of politics and identity. In the footsteps of Simone de Beauvoir, *Out of Time* looks at many of the issues facing the aged: the war of the generations and baby boomer bashing, the politics of desire, the diminished situation of the older woman, the space on the left for the presence and resistance of the old, the problems of dealing with loss and mortality, and how to find victory in survival.

Out of Time Lynne Segal, 2013-11-05 A leading feminist thinker reflects on her own life and the lives of other artists to explore the ups and downs of growing old. This thoughtful, reflective book on aging encourages people to keep dreaming, keep fighting, and perhaps most of all, keep living. *Pop Matters*: How old am I? Don't ask, don't tell. As the baby boomers approach their sixth or seventh decade, they are faced with new challenges and questions of politics and identity. In the footsteps of Simone de Beauvoir, leading feminist thinker Lynne Segal looks at many of the issues facing the aged: the war of the generations and baby boomer bashing, the politics of desire, the diminished situation of the older woman, the space on the left for the presence and resistance of the old, the problems of dealing with loss and mortality, and how to find victory in survival. Brilliant, moving, and challenging, *Out of Time* is an urgent and necessary corrective to the assumptions and taboos that constrain the lives of the aged.

[Disruptive Discourses by Francophone Women](#) Polly Galis, Ciara Gorman, Julie Rodgers, 2025-11-15 *Disruptive Discourses by Francophone Women* engages with the notion of disruption in women's cultural production in French from a wide range of perspectives spanning the twentieth and twenty-first centuries and incorporating a variety of Francophone contexts. With a pluri-genre focus, the volume interrogates both the conceptualisation and textual representation of disruption in a myriad of forms, including social, political, physical, and sexual manifestations of disruptive behaviour. Organised thematically, the chapters consider inter alia angles such as ageing, motherhood, activism, queerness, and migrancy, and how they relate to the overarching topic of disruption. The volume is particularly concerned with the gendered dynamics of disruption and an exploration as to why certain values and behaviours are deemed transgressive and problematic when applied to women. Perhaps most importantly, the volume is interested in the creative potential of disruption to challenge oppressive norms, stereotypes, and social structures. When harnessed affirmatively, as the chapters demonstrate, disruption becomes an effective tool of transformation and can produce new ways of thinking and being for women outside of patriarchal systems. *Disruptive Discourses* not only highlights the importance of listening to women who speak out and speak up; it also celebrates and reappropriates disruption as a powerful and positive attribute.
