**Why Reading Books Still Matters** Martha C. Pennington, Robert P. Waxler, 2017-08-29 Bringing together strands of public discourse about valuing personal achievement at the expense of social values and the impacts of global capitalism mass media and digital culture on the lives of children this book challenges the potential of science and business to solve the world's problems without a complementary emphasis on social values The selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change The book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work

**Overcoming the Two Cultures** Richard E. Lee Jr, 2004 *Critically Assessing the Reputation of Waldorf Education in Academia and the Public: Recent Developments the World Over, 1987-2004* Ann-Kathrin Hoffmann, Marc Fabian Buck, 2024-05-01 The second of two volumes dedicated to this little explored topic continues to gather international perspectives to critically assess how Waldorf education has been perceived and discussed in both public and academic arenas Both books thereby challenge the historic concept of Waldorf education as an international movement championing progressive education Spanning the period 1987-2004 this second volume focuses on more recent developments in Waldorf education in Japan Israel Spain Poland Kenya France Slovenia and China Throughout both books over 25 leading scholars present 16 case studies spanning 14 countries to discuss the history and perception of Waldorf education in the context of respective school systems and societies By exploring the ramifications of these case studies against the background of existing research the books offer cutting edge perspectives and prompts for scholarly debates for this as yet underresearched field This book will be of interest to researchers scholars and postgraduate students in international and comparative education the theory of education and the philosophy of education Policy makers interested in the history of education as well as practicing teachers and school staff at Waldorf education institutions may also benefit from the volume

**The Two Cultures** C. P. Snow, 1993-07-30 The notion that our society its education system and its intellectual life is characterised by a split between two cultures the arts or humanities on one hand and the sciences on the other has a long history But it was C P Snow's Rede lecture of 1959 that brought it to prominence and began a public debate that is still raging in the media today This 50th anniversary printing of The Two Cultures and its successor piece A Second Look in which Snow responded to the controversy four years later features an introduction by Stefan Collini charting the history and context of the debate its implications and its afterlife The importance of science and technology in policy run largely by non scientists the future for education and research and the problem of fragmentation threatening hopes for a common culture are just some of the subjects discussed

**Resources in Education**, 1990-10 **The Unshaming Way** David Bedrick, 2025-01-07 In this astute work David Bedrick provides a deep investigation of shame the most debilitating of our mind states and offers a workable practice based and accessible path to divesting ourselves from it Gabor Mat MD New York

Times best selling author of In the Realm of Hungry Ghosts An empowering stigma free approach to dismantling shame a trauma informed guide to restoring our authentic self Shame affects us all often in ways we might not expect Author mental health expert and professor David Bedrick helps us understand how shame shows up and offers a revolutionary stigma free model to help us unshame and release its hold on our happiness Shame is more than feeling guilty sad or responsible It develops when we experience a trauma but can't access the tools or freedom to express how we feel or are denied the ability to ask for the care we need It shows up when we aren't witnessed whether by a loved one our community our culture or anyone from whom we need to hear whatever happened to you these parts of you that you think are unlovable or wrong you're not broken I see you Bedrick helps readers bring shame out of the shadows inviting us to get to know it and listen to its wisdom without minimizing our traumas or pathologizing our experiences He helps us move from seeing shame as a feeling toward holding it as an internal viewpoint and offers us practical tools and exercises to dismantle the narratives that hold us back from living our lives whole free and in alignment with our most authentic selves
