

# OWLS Mini-Unit for Preschoolers

**Owl Pokey**  
© 2013 Play to Learn Preschool

I can label the parts of an owl.

Wings
Beak
Foot
Back

Have you ever seen an owl?

You put your beak in,  
You put your beak out,  
You put your beak in,  
and you shake it all about.  
You do the Owl Pokey  
and you turn yourself around.  
That's what it's all about.

Have you ever seen an owl?

Yes, I have!

No, not yet.

[Rural Education Research in the United States](#)

Gwen C. Nugent, Gina M. Kunz, Susan M. Sheridan, Todd A. Glover, Lisa L. Knoche, 2016-10-12 This volume represents current and futuristic thinking of seminal rural education researchers with the goal of providing perspectives and directions

to inform the work of rural education research practice and policy. With an emphasis on leveraging collaboration among key rural education stakeholders this title both outlines our current research knowledge base and maps a future research agenda for maximizing the educational experiences and achievement of rural K-12 students and their families and educators in the United States. In examining the interrelated impacts of teacher practices, family engagement, school, community environment and contextual factors the book offers the evidence based insights of seminal researchers on issues ranging from professional development and family school partnership approaches to methodological considerations. It also explores the needs, opportunities and realities associated with translating research to the arenas of practice and policy while considering how the latter can inform future scholarship.

*Research in Young Children's Literacy and Language Development* Olivia N. Saracho, 2019-12-13. The importance of the early years in young children's lives and the rigid inequality in literacy achievement are a stimulating backdrop to current research in young children's language and literacy development. This book reports new data and empirical analyses that advance the theory of language and literacy with researchers using different methodologies in conducting their study with both a sound empirical underpinning and a captivating analytical rationalization of the results. The contributors to this volume used several methodological methods e.g. quantitative, qualitative to describe the complete concept of the study, the achievement of the study and the study in an appropriate manner based on the study's methodology. The contributions to this volume cover a wide range of topics including dual language learners, Latino immigrant children, children who have hearing disabilities, parents and teachers' beliefs about language development, early literacy skills of toddlers and preschool children, interventions, multimodalities in early literacies, writing and family literacy. The studies were conducted in various early childhood settings such as child care, nursery school, Head Start, kindergarten and primary grades and the subjects in the studies represent the pluralism of the globe, a pluralism of language backgrounds, ethnicity, abilities and disabilities. This book was originally published as a special issue of *Early Child Development and Care*.
