**Love In Victorian Times** Patricia Watters, 2013-01-08 An anthology of five full length romance novels set in the 1800s when Queen Victoria sat on the throne of England and the rest of the western world emulated her demeanor in decorum protocol dress and the social graces except for certain bold and resourceful women like those in these stories who strayed from the fold to embrace such notions as shedding corsets and crinolines and remaining free of a husband's control. At least that was their intention. Until love entered the picture. So slip back in time to a world of adventurous ladies who become entangled with irresistible rogues and rugged frontiersmen and notorious rakes and go along with them on their bumpy rides to everlasting love. The five books included in the anthology are Colby's Child, Come Be my Love, Miss Phipps and the Cattle Baron, Perilous Pleasures and Her Master's Touch. For information on the five books included please visit [www.patriciawatters.com](http://www.patriciawatters.com)

**Love In Uncertain Times** Patricia Watters, 2013-01-11 A boxed set of five full length romance novels set in modern times. When the western world is focused on cyber connections, social networking and internet matchmaking, certain individuals like those in these stories have decided from past experience that guarding the heart is preferable to being attached, which means avoiding entanglements at all costs. At least that's their intention. Until love enters the picture.

**The Whole Story** John E. Simkin, 1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences.

**Love & War** Kaitlin Bevis, 2016-10-21 After narrowly escaping with her life, Aphrodite wakes up to find herself at the demigods' base camp, a gorgeous tropical island. Powerless and injured, she has no choice but to glamour herself as a demigoddess in order to find out what's really going on. Lucky for her, she's not alone. Ares is with her, also in disguise. But she soon realizes she might be more of a liability than an asset when her panic attacks and nightmares threaten to expose them both. Ares is as anxious as anyone to shut down the demigods' plot. But right now, all he can think about is Aphrodite. He almost killed her for God's sake. And though the timing couldn't be any worse, he's falling hard and fast. He'll do anything to protect her, even if it means sacrificing himself. Still, they find allies in the most unexpected places. More goddess than demigoddess, Medea is married to the rebel leader Jason. But there's something odd going on. Jason is acting very strange, and Medea finds herself drawn to a new demigoddess who mysteriously arrived on the island half dead. She senses there's more to this visitor than meets the eye. Little does she guess, War is coming. There's no doubt. But in her weakened state, does Aphrodite have any hope of surviving it? Kaitlin Bevis spent her childhood curled up with a book and a pen. If the ending didn't agree with her, she rewrote it. Because she's always wanted to be a writer, she spent high school and college learning everything she could to achieve that goal. After graduating college with a BFA and Masters in English, Kaitlin went on to write The Daughters of Zeus series.
