Parenting For Peace Raising The Next Generation Of Peacemakers:

Parenting for Peace Marcy Axness,2012-01-30 If we really want to change the world let s raise a generation hardwired for peace and innovation Marcy Axness details a unique seven step seven principle matrix for helping children achieve self regulation self reflection trust and empathy These qualities are the result of dynamic interactions between genetics and environment beginning before the child is even born foundations for this level of health begin forming during the prenatal period and some aspects of optimal development are influenced as early as conception **Real Kids in an Unreal World**

Maggie Dent,2018-12-01 Real children need real experiences with real people to grow up happy healthy strong kind and resilient In the second edition of this bestselling book from one of Australia s favourite parenting authors and educators Maggie Dent Maggie explores the 10 essential building blocks that help children build resilience and self esteem in our chaotic uncertain world We can t change the world however we can help our children to develop emotional buoyancy and competence by experiencing life s joys and successes as well as its challenges and setbacks When this is done within the safety of supportive relationships especially in families and communities one building block at a time from birth to 12 children can grow into being the capable independent adults we all yearn to meet one day About Maggie Commonly known as the queen of common sense Maggie Dent has become one of Australia s favourite parenting authors and educators with a particular interest in the early years adolescence and resilience Maggie s experience includes teaching counselling and working in palliative care funeral services and suicide prevention She is a dedicated advocate to quietly changing lives in our families and communities She is the mother of four sons and a very grateful grandmother Maggie is the author of 11 books including her 2018 release Mothering Our Boys which is already a bestseller Mother Hunger Kelly McDaniel,2021-07-20

An insatiable need for sex and love Periods of overeating or starving A pattern of unstable and painful relationships Does this sound painfully familiar Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors and are unable to stop Many of us find ourselves stuck in unhealthy habits simply because we don t see a better way With Mother Hunger McDaniel helps women break the cycle of destructive behavior by taking a fresh look at childhood trauma and its lasting impact In doing so she destigmatizes the shame that comes with being under mothered and misdiagnosed McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships The constant search for mother love can be a lifelong emotional burden but healing begins with knowing and naming what we are missing McDaniel is the first clinician to identify Mother Hunger which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy lonely emptiness and come home to herself **Meeting the Needs of Parents Pregnant and Parenting After Perinatal Loss**

Joann O'Leary,Jane Warland,2016-06-17 Despite research which highlights parents increased anxiety and risk of attachment issues with the pregnancy that follows a perinatal loss there is often little understanding that bereaved families may need

different care in their subsequent pregnancies This book explores the lived experience of pregnancy and parenting after a perinatal loss Meeting the Needs of Parents Pregnant and Parenting After Perinatal Loss develops a helpful framework which integrates continuing bonds and attachment theories to support prenatal parenting at each stage of pregnancy Giving insight into how a parent's world view of a pregnancy may have changed following a loss readers are provided with tools to assist parents on their journey The book discusses each stage of a pregnancy as well as labor and the postpartum period before examining subjects such as multi fetal pregnancies reluctant terminations use of support groups and the experiences of fathers and other children in the family The chapters include up to date research findings vignettes from parents reflecting on their own experiences and recommendations for practice Written for researchers students and professionals from a range of health social welfare and early years education backgrounds this text outlines what we know about supporting bereaved families encountering the challenges of a subsequent pregnancy

Family Life Education Stephen F. Duncan, H. Wallace Goddard, 2016-04-20 A practical how to guide to developing implementing evaluating and sustaining effective family life education programs Drawing on the best scholarship and their own years of professional experience the authors of this thoroughly updated Third Edition begin by discussing the foundations of family life education and encourage readers to develop their own outreach philosophies The book then helps readers learn principles and methods for reaching out to the public and how to form and use community collaborations and use principles of social marketing to promote programs
