money and its meaning the next generation will realize the true power of wealth and use their money wisely First Hand Faith Bruce Wilkinson, Dr Bruce Wilkinson, 1996-05 Why do godly parents have rebellious kids is a question asked by many heartbroken parents This book has answers and solutions It s based on Bruce Wilkinson s classic message called The Three Chairs This book includes the distinct roles of dads and moms what to do when children make bad choices how to create a legacy that can be passed on to children and much much more *Take My Hand Again* Nancy Parker Brummet, 2015-03-03 The guide the author wishes she had when she took on a caretaker role By 2020 the senior population in this country will number over 115 million Despite this persistent graying of America few adult children feel prepared to take on the role of caregiver for aging parents Those who discover they must now intervene and care for an elder they love are often at a loss Trying to navigate the transition is like being dropped in a foreign country with no map no GPS and no translator and acting as tour guide Nancy Parker Brummett knows what they re going through and has the means to help She shares her own experience of caring for a mother and mother in law in assisted living as well as lessons learned through study of the academic social and political issues involved Each chapter begins with relevant Scripture but the useful information here is not limited to people of faith *Take My Hand Again* offers readers the warm feeling of having someone they trust stepping up to hold their hand and share encouragement and hope Children of the aging don t need a degree in gerontology they just need for someone to ask the pertinent questions and give them an overview of the pros and cons of common options so they can make informed decisions Whether they ve already had their wake up call or just want to be prepared for what s to come Brummett s sometimes humorous sometimes poignant book has just what they re looking for *Parenting: a Journey of Faith While Navigating the Detours* Lucy Watani-Simiyu, 2021-07-30 Lucy Watani Simiyu walks you through the raw and ugly moments in parenting that come when tragedy first strikes She wrote this book after a season when nothing made sense and it felt like she d been abandoned by God It was a time filled with anxiety and heartbreak and with many questions unanswered As she shares her story she gives you permission to not be a hero or be an unobtainable version of someone s faithful Christian highlight reel You can be right where you are moving toward freedom As you read In her parental journey and counselling sessions the experiential learning from thousands of parents raised many questions and gives answers to questions such as How can parents connect themselves to the very heart of God What message does God have for you as a parent Can children question their faith in God in a nerve wracking way to parents and yet continue to function sanely How can parents equip themselves with the truth of God s Word to keep sane and fulfill their ambassadorial calling What does it mean for a parent to have a well planned journey for a child You ask what do I do when my child makes the wrong choices How do I deal with contrary or counterculture What about parenting guilt Where is God in all this Filled with verses from Scripture examples from the Bible and practical insights from the author s own life experiences this book will help you combine grace truth and God s Word to find strength and help children overcome obstacles This book points you to the

source of joy in your journey by pointing you to God's Word the truth that sets you free when the journey gets weary The blueprint still works not to make you guilty but to liberate you Maybe you are a parent who is paralyzed by fear of your child's choices You may be anxious hopeless and helpless about your child's future Perhaps you are weighed down by guilt and shame caught in a slump overwhelmed with regret trapped in a dead end parenting and numb from a child's choice You may be drowning in disappointment anger shame and unfilled spiritually so that God and his promises do not make sense Instead of tying our hope to specific outcomes let us connect ourselves to the very heart of God With compelling storytelling and sound scriptural backup this book gives you the biblical pathway to help you as a parent move beyond the pain of the present to a hope filled future
