Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldn't put your finger on it? Well, these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in God's Kingdom work. To invest yourself in Larry Spencer's Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands-on tools that complete your tool chest. Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene: A thorough practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have used it to a great positive effect. Dan Wilderman, Retired Assemblies of God Pastor: The order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host Christ Today KKXX Radio Chico, CA: Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave, others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, "Now in those days when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, 'It is not desirable that we should leave the word of God and serve tables. Read this as doing manual labor. Therefore brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business of the manual labor, but we will give ourselves continually to prayer and to the ministry of the word.' It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties, the manual labor. This freed up the apostles so they could minister the Word of God. Wow, God's way is so simple and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors have more time to do the spiritual work that promotes God's church. This manual gives a road

map for accomplishing the goal of choosing and training people and tips for managing them **The Pastor's Handbook** KJV Moody Publishers, 2006-06-01 The Pastor's Handbook KJV is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty, and dignity. To this end, numerous changes, both large and small, have been made. More selected Scriptures, new alternatives for special occasions, some significant additions, and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained, there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it to them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it, especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation. **Star Book for Ministers** Edward T. Hiscox, 2015-06-08 Star Book for Ministers is a comprehensive service manual meticulously crafted for clergy members. Within its pages, ministers will find practical guidance and resources for a wide range of sacred duties. From weddings and funerals to ordinations and dedications, this indispensable volume equips pastors with the tools they need to navigate their ministry effectively. Whether you're a seasoned clergy member or a novice preacher, this book illuminates the path of service and empowers your sacred calling. **Feels Like Home** Lee Eclov, 2019-05-07 What a refreshing book! Imagine a church whose primary emphasis is to make people feel at home. I wish every young pastor could read this book. Thanks, Lee, for a wonderful reminder of what the church is to be. Erwin W. Lutzer, Pastor Emeritus, The Moody Church, Chicago. Is your church acting like an organization or a home? You love your church, but you wonder if it could be more. There's a greeting team, but is there a true spirit of welcoming? There are committees, leaders, and programs, but is there a Spirit-led vision? There are small groups, but are people truly connected? Pastor and award-winning author Lee Eclov was troubled by these questions. Then he had a realization: he wasn't called to lead an organization, but a family. His job was to be a homemaker, not a CEO. This paradigm shift changed everything. In *Feels Like Home*, he shares what he's learned from over 40 years of ministry about being the family of God and how to live into that beautiful reality. This short volume is full of stories of small adjustments that make a huge difference in the effectiveness, warmth, and growth of a church community. Discover how the love of a family can transform your church. *The Christian Pastor's Manual* John Brown, 1991 *Pastoral Psychology* Simon Doniger, 1958
