

# Pathways in Theodicy

An Introduction to the Problem of Evil

Mark S. M. Scott

#### Publication Information:

Readers: Scholars and students in theology and religious studies.

ISBN: 9781451404702

eISBN: 9781451469806

Price: \$44.00

Size: 232pp; 6 x 9", paper, 4-c cover

Pub. Date: May 2015

## Reconstructing the problem of evil

### Selling Points:

- Reinvigorates stalled debates in philosophy and theology through a detailed reassessment of the problem of evil and the task of theodicy
- Carefully analyzes the major models and motifs in theodicy

Why does God permit senseless suffering? If God is good and all-powerful, why does evil exist? The problem of evil perennially vexes theology, but many theologians have abandoned the project of theodicy, or the theological explanation of evil, as either fruitless or hopeless. Academic studies on theodicy, moreover, typically succumb to theological deficiency and abstraction, often devoid of any concrete connection to Christian life and practice. In *Pathways in Theodicy*, designed for students and scholars alike, Mark S. M. Scott reinvigorates stalled debates in philosophy and theology through a detailed reassessment of the problem of evil and the task of theodicy and through a careful analysis of the major models and motifs in theodicy. Scott explores the strengths and weaknesses of classic and contemporary perspectives on the problem of evil and invites readers to assess the cogency and relevance of each on their own. Rather than promoting a single perspective, *Pathways in Theodicy* explores the plurality of options available to treat the problem of evil and the provisional and tentative nature of theodicy, which searches not for final, definitive solutions but for viable ways to move the conversation forward.

### Contents:

Preface

Introduction

1. Rethinking Evil: From Ontology to Theology
2. Redefining Theodicy: Expanding the Boundaries
3. Free Will Defense: Playing the Blame Game
4. Soul-Making Theodicy: No Pain, No Gain
5. Process Theodicy: Denying Divine Omnipotence
6. Cross-Form Theodicy: Divine Solidarity through the Cross
7. Antitheodicy: Intellectual and Moral Critiques
8. Beyond Theodicy: The Afterlife and Mystery

Conclusion

Bibliography

Index

Mark S. M. Scott is Assistant Professor of Religious Studies at Thompson University in Sudbury, Ontario. He earned his PhD and AM from Harvard University and his MAR from Yale Divinity School. He is the author of *Journey Back to God: Origins on the Problem of Evil* (2012).

# Pathways In Theodicy An Introduction To The Problem Of Evil

**Ayon Maharaj**

## **Pathways In Theodicy An Introduction To The Problem Of Evil:**

*Pathways in Theodicy* Mark S. M. Scott, 2015 Why does God permit evil and suffering This question known as the problem of evil in theological and philosophical circles has perennially vexed Christian theology Academic studies on the problem of evil however have failed to move the conversation forward in recent years In this volume designed for students and scholars alike Mark S M Scott traces the major models and motifs in Christian explanations for evil called theodicies and argues for a thorough rethinking of the problem of evil and theodicy based on distinctly Christian theological criteria and resources

**T&T Clark Handbook of Suffering and the Problem of Evil** Matthias Grebe, Johannes Grössl, 2023-08-10 This wide ranging work provides an extensive exploration of the theology of theodicy asking questions such as should all instances of suffering necessarily be understood as evil Why would an omnipotent and benevolent God allow or perpetrate evil Is God unable or unwilling to reduce human and non human suffering on Earth Does humanity have the capacity to exercise a moral evaluation of God s motives and intentions Conventional disciplinary boundaries have tended to separate theological approaches to these questions from philosophical ones This volume aims to overcome these boundaries by including biblical Part I historical Part II doctrinal Part III philosophical Part IV and pastoral interreligious perspectives and alternative intersections Part V on theodicy Authors include thinkers from analytic and continental traditions multiple Christian denominations and other religions and both established and younger scholars providing a full variety of approaches What unites the essays is an attempt to answer these questions from the perspective of biblical testimony historical scholarship modern theological and philosophical thinking about the concept of God non Christian religions science and the arts The result is a combination of in depth analysis and breadth of scope making this a benchmark work for further studies in the theology of suffering and evil

**Infinite Paths to Infinite Reality** Ayon Maharaj, 2018 This pioneering study examines the philosophy of the nineteenth century Indian mystic Sri Ramakrishna bringing him into dialogue with Western thinkers Sri Ramakrishna s expansive conception of God as the impersonal personal Infinite Reality Maharaj argues introduces a new paradigm for addressing central issues in the philosophy of religion

**Decolonizing Contemporary Gospel Music Through Praxis** Robert Beckford, 2023-08-24 Is contemporary Black British gospel music a coloniality What theological message is really conveyed in these songs In this book Robert Beckford shows how the Black British contemporary gospel music tradition is in crisis because its songs continue to be informed by colonial Christian ideas about God Beckford explores the failure of both African and African Caribbean heritage Churches to Decolonise their faith especially the doctrine of God biblical interpretation and Black ontology This predicament has left song leaders musicians and songwriters with a reservoir of ideas that aim to disavow engagement with the social historical world black Biblical interpretation and the necessity of loving blackness This book is decolonisation through praxis Reflecting on the conceptual social justice album The Jamaican Bible Remix 2017 as a communicative resource Beckford shows how to develop production tools to inscribe decolonial

theological thought onto Black British music s The outcome of this process is the creation of a decolonial contemporary gospel music genre The impact of the album is demonstrated through case studies in national and international contexts

**Theology and the Problem of Evil** Kenneth Surin,2004-10-29 One of the most profound problems that theologians are called on to address is the presence of evil and suffering in the world and how this can be reconciled with the assertion of an omnipotent and morally perfect God This book begins by showing how the problem of evil has been inextricably bound up with the problematic deity created by the philosophical theism of the Enlightenment and perpetuated ever since demonstrating how contemporary theodists have failed to perceive the historical and cultural determinants which affect their theorizing Dr Surin argues that thinking on the problem of evil consists of two fundamental perspectives He labels these the theoretical and the practical approaches and examines the work of a number of theologians who typify each Alvin Plantinga Richard Swinburne the process theologians and John Hick exemplify the theoretical approach Dorothee Soelle Jurgen Moltmann and P T Forsyth the practical He uses the views of Dostoevsky s character Ivan Karamazov and the protagonists in Elie Wiesel s writing as a paradigm for evaluating the two approaches and concludes that only the practical approach has the merit of both rooting itself in the realities of human suffering and grounding itself in the fundamental rule of what he calls an adequate grammar of salvation namely that God justifies himself by justifying sinners on the cross Finally Dr Surin explores this grammar of the notion of an incarnate salvation with particular reference to the need for a messianic and practical solidarity with those who are afflicted This thought provoking book will serve both as an introduction to those new to the ideas of theodicy and as a stimulating essay for those dissatisfied with conventional studies of theology and the problem of evil

**The Philosopher's Index** ,2009 Vols for 1969 include a section of abstracts *Holy Murder* Larry Powell,William R. Self,2007 This volume examines one of the most controversial stories in the Bible the akedah or sacrifice of Isaac recounted in the 22nd chapter of Genesis Today more than three thousand years later the story continues to evoke controversy It has had an impact on Judaism Christianity and Islam each clinging to different interpretations Even among adherents of a common faith interpretations of the passage differ to such extremes that it can be used to justify unthinkable behavior ranging from infanticide mass murder and suicide bombings Abraham s actions have generated a sacrificial rhetoric that continues to exert a powerful influence on modern society The rhetoric of sacrifice was born when the first person used the story of akedah to inspire another to sacrifice willingly on their behalf Since then a multitude of religious leaders and religious imposters have used the rhetoric of sacrifice to do their bidding The akedah has proven itself as a tool that placed in the wrong hands can be used to commit unthinkable acts **The Blackwell Companion to The Problem of Evil** Justin P. McBrayer,Daniel Howard-Snyder,2014-01-14 The Blackwell Companion to the Problem of Evil presents a collection of original essays providing both overview and insight clarifying and evaluating the philosophical and theological problem of evil in its various contexts and manifestations Features all original essays that explore the various forms of the problems of

evil offering theistic responses that attempt to explain evil as well as discussion of the challenges facing such explanations Includes section introductions with a historical essay that traces the developments of the issues explored Acknowledges the fact that there are many problems of evil some of which apply only to those who believe in concepts such as hell and some of which apply to non theists Represents views from the various religious traditions including Hindu Jewish Christian and Muslim

[God And Evil Michael L Peterson,2018-02-12](#) This concise well structured survey examines the problem of evil in the context of the philosophy of religion The main problem of evil consists in reconciling belief in a just and loving God with the evil and suffering in the world Michael Peterson frames this issue by working through questions such as the following What is the relation of rational belief to religious faith What different conceptual moves are possible on either side of the issue What responses have important thinkers advanced and which seem most promising Is it possible to maintain religious commitment in light of evil The author relies on the helpful distinction between moral and natural evil to clarify our understanding of the different aspects of the problem as well as avenues for response Thus the reader of this book gains not only an intellectual grasp of the debate over God and evil in professional philosophy but also the personal benefit of thinking through one of the most important issues in human life This concise well structured survey examines the problem of evil in the context of the philosophy of religion One of the core topics in that field the problem of evil is an enduring challenge that Western philosophers have pondered for almost two thousand years The main problem of evil consists in reconciling belief in a just and loving God with the evil and suffering in the world Michael Peterson frames this issue by working through questions such as the following What is the relation of rational belief to religious faith What different conceptual moves are possible on either side of the issue What responses have important thinkers advanced and which seem most promising Is it possible to maintain religious commitment in light of evil Peterson relies on the helpful distinction between moral and natural evil to clarify our understanding of the different aspects of the problem as well as avenues for response The overall format of the text rests on classifying various types of argument from evil the logical the probabilistic the evidential and the existential arguments Each type of argument has its own strategy which both theists and nontheists must recognize and develop Giving both theistic and nontheistic perspectives fair representation the text works through the issues of whether evil shows theistic belief to be inconsistent improbable discredited by the evidence or threatened by personal crisis Peterson explains how defensive strategies are particularly geared for responding to the logical and probabilistic arguments from evil while theodicy is an appropriate response to the evidential argument Theodicy has traditionally been understood as the attempt to justify belief in a God who is all powerful and all good in light of evil The text discusses the theodicies of Augustine Leibniz Hick and Whitehead as enlightening examples of theodicy This discussion allows Peterson to identify and evaluate a rather dominant theme in most theodicies that evil can be justified by designating a greater good In the end Peterson even explores how certain types of theodicy based on specifically Christian renditions of theism might provide a basis for addressing the

existential problem of evil The reader of this book gains not only an intellectual grasp of the debate over God and evil in professional philosophy but also the personal benefit of thinking through one of the most important issues in human life

Journey Back to God Mark S.M. Scott,2012-06-01 Journey Back to God explores Origen of Alexandria s creative complex and controversial treatment of the problem of evil It argues that his layered cosmology functions as a theodicy that explains unjust suffering and shows how that theodicy hinges on the journey of the soul back to God Evolutionary and Molecular Biology Robert J. Russell,William R. Stoeger,Francisco José Ayala,1998 This collection of twenty two research papers explores the creative interaction between evolutionary and molecular biology philosophy and theology It is the result of the third of five international research conferences co sponsored by the Vatican Observatory Rome and the Center for Theology and the Natural Sciences Berkeley The over arching goal of these conferences is to support the engagement of constructive theology with the natural sciences and to investigate the philosophical and theological elements in ongoing theoretical research in the natural sciences This series of conferences builds on the initial 1987 Vatican Observatory conference and its resulting publication Physics Philosophy and Theology A Common Quest for Understanding 1988 and on the previous Jointly sponsored conferences and their publications Quantum Cosmology and the Laws of Nature 1993 and Chaos and Complexity 1995 Future conferences will focus on scientific topics including the neuroscience s quantum physics and quantum field theory

*The Problem of Evil* Michael L. Peterson,2016-11-15 Of all the issues in the philosophy of religion the problem of reconciling belief in God with evil in the world arguably commands more attention than any other For over two decades Michael L Peterson s The Problem of Evil Selected Readings has been the most widely recognized and used anthology on the subject Peterson s expanded and updated second edition retains the key features of the original and presents the main positions and strategies in the latest philosophical literature on the subject It will remain the most complete introduction to the subject as well as a resource for advanced study Peterson organizes his selection of classical and contemporary sources into four parts important statements addressing the problem of evil from great literature and classical philosophy debates based on the logical evidential and existential versions of the problem major attempts to square God s justice with the presence of evil such as Augustinian Irenaean process openness and felix culpa theodicies and debates on the problem of evil covering such concepts as a best possible world natural evil and natural laws gratuitous evil the skeptical theist defense and the bearing of biological evolution on the problem The second edition includes classical excerpts from the book of Job Voltaire Dostoevsky Augustine Aquinas Leibniz and Hume and twenty five essays that have shaped the contemporary discussion by J L Mackie Alvin Plantinga William Rowe Marilyn Adams John Hick William Hasker Paul Draper Michael Bergmann Eleonore Stump Peter van Inwagen and numerous others Whether a professional philosopher student or interested layperson the reader will be able to work through a number of issues related to how evil in the world affects belief in God **The Cambridge Companion to the Problem of Evil** Chad Meister,Paul K. Moser,2017-06-09 For many

centuries philosophers have been discussing the problem of evil one of the greatest problems of intellectual history There are many facets to the problem and for students and scholars unfamiliar with the vast literature on the subject grasping the main issues can be a daunting task This Companion provides a stimulating introduction to the problem of evil More than an introduction to the subject it is a state of the art contribution to the field which provides critical analyses of and creative insights on this longstanding problem Fresh themes in the book include evil and the meaning of life beauty and evil evil and cosmic evolution and anti theodicy Evil is discussed from the perspectives of the major monotheistic religions agnosticism and atheism Written by leading scholars in clear and accessible prose this book is an ideal companion for undergraduate and graduate students teachers and scholars across the disciplines

**Evil and the Evidence for God**

R. Douglas Geivett,1995-08 How to reconcile the existence of evil with the belief in a benevolent God has long posed a philosophical problem to the system of Christian theism This work redress this difficulty in modern terms

*God, Power, and Evil*

David Ray Griffin,2004-01-01 The baffling age old question if there is a good God why is there evil in the world has troubled ordinary people and great thinkers for centuries God Power and Evil illuminates the issues by providing both a critical historical survey of theodicy as presented in the works of major Western philosophers and theologians Plato Aristotle Plotinus Augustine Aquinas Spinoza Luther Calvin Leibniz Barth John Hick James Ross Fackenheim Brunner Berkeley Albert Knudson E S Brighton and others and a brilliant constructive statement of an understanding of theodicy written from the perspective of the process philosophical and theological thought inspired primarily by Alfred North Whitehead and Charles Hartshorne

**Encountering Evil** Stephen T. Davis,2001-01-01 Eight prominent philosophers and theologians confront the problems posed by natural and human evil for theistic belief Each thinker sets out his or her theodicy and its connections to current social and philosophical debates The other contributors then offer critiques of each theodicy to which its author subsequently responds The result is a valuable introduction to philosophical and theological perspectives on contemporary evil and to the nature of discourse in the philosophy of religion

*Satan and the Problem of Evil*

Gregory A. Boyd,2001-10-08 Gregory Boyd seeks to defend his scripturally grounded trinitarian warfare theodicy with rigorous philosophical reflection and insights from human experience and scientific discovery

**The Problem of Evil**

Mark Larrimore,2000-11-02 This Reader brings together primary sources from philosophy theology and literature to chart the many and changing ways evil has been approached and understood and to examine the diverse implications it has had for belief and unbelief Will fill a major gap in the publishing market Provides primary source readings for courses on religion and evil A key issue in religious thought this book will change the way the subject is taught Author is one of the brightest young religious philosophers in America

**The**

**Problem of Evil** Daniel Speak,2014-11-11 The most forceful philosophical objections to belief in God arise from the existence of evil Bad things happen in the world and it is not clear how this is compatible with the existence of an all powerful and perfectly loving being Unsurprisingly then philosophers have formulated powerful arguments for atheism based

on the existence of apparently unjustified suffering These arguments give expression to what we call the problem of evil This volume is an engaging introduction to the philosophical problem of evil Daniel Speak provides a clear overview of the main lines of reasoning in this debate and argues for the defensibility of theistic belief in the face of evil He fleshes out the distinction between theodicy and defense and guides the reader through the logical evidential and hiddenness versions of the problem In an accessible and beautifully written account Speak describes the central issues surrounding the problem of evil in a way that clarifies both the complex reasoning and specialised terminology of the topic The Problem of Evil is an ideal introduction to contemporary debates over one of the most gripping perennial questions Read either on its own or alongside the primary materials it deftly covers students and scholars will find this volume a terrific resource for understanding the challenges to religious belief raised by evil     **The Problem of Evil and the Problem of God** Dewi Zephaniah Phillips,2004

Yeah, reviewing a book **Pathways In Theodicy An Introduction To The Problem Of Evil** could increase your close friends listings. This is just one of the solutions for you to be successful. As understood, execution does not suggest that you have fabulous points.

Comprehending as well as promise even more than other will have the funds for each success. next-door to, the broadcast as competently as sharpness of this Pathways In Theodicy An Introduction To The Problem Of Evil can be taken as competently as picked to act.

## **Pathways In Theodicy An Introduction To The Problem Of Evil Introduction**

In todays digital age, the availability of Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Pathways In Theodicy An Introduction To The Problem Of Evil versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Pathways In Theodicy An Introduction To The Problem Of Evil books and manuals for download and embark on your journey of knowledge?

## **FAQs About Pathways In Theodicy An Introduction To The Problem Of Evil Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pathways In Theodicy An Introduction To The Problem Of Evil is one of the best book in our library for free trial. We provide copy of Pathways In Theodicy An Introduction To The Problem Of Evil in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Pathways In Theodicy An Introduction To The Problem Of Evil. Where to download Pathways In Theodicy An Introduction To The Problem Of Evil online for free? Are you looking for Pathways In Theodicy An Introduction

To The Problem Of Evil PDF? This is definitely going to save you time and cash in something you should think about.
