exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a
literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of
the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that
represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality
in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is
the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric
care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s
executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25
years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the
most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to
favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of
any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a
definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been
lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional
Amendment which would revolutionize prison culture and save Texans millions of the dollars Directory of American
