The Crossroads Elections Renata Duda, Maciej Turek, 2024-03-28 This wide ranging collection acquaints American college instructors with insightful contributions and critical reflections from Europe on the study of campaigns elections Congress and political behavior Using an organizing conceptual framework of a crossroads which sets two parties apart on traditional democratic values more than a dozen experts examine the political environment issues candidates campaigns media and voters of the 2022 midterm election Distinctive in its breadth of topics the book covers many new issues and the most controversial aspects of 2022 using a combination of statistical and descriptive analysis These include but are not limited to election results unique features of midterm elections the role of the Supreme Court and gerrymandering in 2022 intra party cleavages election denialism the role of media and campaign finance U S support of Ukraine European public opinion on American democracy and 2022 midterm as stage setter for the 2024 presidential election ASHLI Jack Cashill, 2024-05-21 Unlike the women who descended on Washington in 2017 to protest the inauguration of President Trump the women of January 6 did not come as women They came as Americans as patriots as defenders of the republic They did not wear pink hats They wore MAGA hats Their issues were indistinguishable from those of the men in their lives the rule of law free and fair elections and the preservation of constitutional rights They brought no laundry list of special needs like say reproductive rights because they understood that no one was challenging their right to reproduce In fact many had reproduced abundantly There was not a single celebrity in their midst no Ashley Judds no Gloria Steinems no Madonnas threatening to blow up the White House These were Hillary s deplorables in the flesh a whole heaping basket of them irredeemable to the last woman On January 6 the very presence of these intrepid women at the Capitol so offended the natural order of things that many would be gassed and beaten Two would never return home If resistance to government oppression has a face it is that of Air Force veteran Ashli Babbitt a determined patriot and an enduring martyr This is her story and that of the other gallant women of January 6 Politico's Guide to Local Government Andrew Stevens, 2003 This title is aimed at policy practitioners and students it contains the full history of local government in Britain and examines the politicisation of local government

Politico's Guide to the General Election 2005 Simon Henig, Lewis Baston, 2005 Packed with facts and statistics this book identifies the key marginal seats and gives profiles of the constituencies where the outcome will be vital to all three main parties The book includes a poll of 50 political experts who predict the result of the general election which is likely to be called in 2005 The Big Truth Major Garrett, David Becker, 2022-09-20 A Revelatory Account Of The 2020 Election The Most Secure Verifiable And Transparent In American History And The Heroes Brave Enough To Get It Right The Big Truth illuminates a crowning achievement in America s quest for a robust democracy in the face of slander by sore losers and opportunists Filled with interviews of the guardians of democracy election workers January 6th Committee members Reps Liz Cheney R Wyoming and Jamie Raskin D Maryland Georgia Secretary of State Brad Raffensperger and more it is an

overpowering counterattack against the Big Lie CBS Chief Washington Correspondent Major Garrett and National Election Expert David Becker the Executive Director of the nonpartisan Center for Election Innovation Research reveal why Big Lie fraud allegations evaporate under scrutiny They report what actually happened in 2020 while calling out each Trumpian misdirection designed to con and beguile Americans into chasing phantom allegations of election crimes The 2020 election was not what Trumpist deniers claim Our political parties knew the rules and procedures We had record turnout and few election snarls The result an accurate count a seven million vote margin of victory 306 electoral votes for Joe Biden and Republican gains in congressional and state races But then President Trump stoked paranoia never looking for evidence contesting results even before anyone cast a ballot and seeking to bend our system until it almost broke with a violent Capitol riot The Big Lie the true corruption of American democracy has shaken our confidence in stable self government On the heels of voter fraud claims the Capitol siege and damaging voting laws the next midterm and presidential election will test our democracy more severely than at any time since the Civil War How we react may well determine if we are led into another war against ourselves The Big Truth debunks the 2020 election conspiracy myth once and for all while celebrating those who held up our democracy under arguably the most intense scrutiny in American electoral history **The Steal** Mark

Bowden, 2022-01-06 In the sixty four days between November 3 and January 6 President Donald Trump and his allies fought to reverse the outcome of the vote Focusing on six states Arizona Georgia Michigan Nevada Pennsylvania and Wisconsin Trump's supporters claimed widespread voter fraud Caught up in this effort were scores of activists lawyers judges and state and local officials among them Rohn Bishop enthusiastic chairman of the Fond Du Lac Wisconsin Republican Party who would be branded a traitor for refusing to say his state's election was tainted and Ruby Freeman a part time ballot counter in Atlanta who found herself accused of being a professional vote scammer by the President Working with a team of researchers and reporters Mark Bowden and Matthew Teague uncover never before told accounts from the election officials fighting to do their jobs amid outlandish claims and threats to themselves their colleagues and their families The Steal is an engaging in depth report on what happened during those crucial nine weeks and a portrait of the heroic individuals who did their duty and stood firm against the unprecedented sustained attack on the US election system and ensured that every legal vote was counted and the will of the people prevailed **Find Me the Votes** Michael Isikoff, Daniel Klaidman, 2024-01-30 New York

Times Bestseller From veteran award winning investigative journalists Michael Isikoff and Daniel Klaidman the epic inside story of the prosecution of a president In Find Me the Votes two years of immersive reporting by Isikoff and Klaidman has produced the most authoritative and dramatic account yet of a defeated president's conspiracy to overturn the 2020 election and how a local Georgia prosecutor a daughter of the civil rights movement decided to indict him and his allies for his desperate attempt to hold on to power From the beginning Fani Willis saw Donald Trump's crimes as a voting rights case and an attempt by the former president to deprive the citizens of Georgia of the franchise a right for which her forebears had

bled Isikoff and Klaidman take us deep inside both the nerve center of Trump's effort to steal the election and the DA's team of prosecutors as they build their case against the president. Their reporting reveals new information on the plot to criminally seize voting equipment in several states, Sidney Powell's attempt to obtain preemptive pardons from Trump, and revelatory communications between the president and his co-conspirators. We see the prosecution take shape in Willis's office in the face of heinous threats of violent retaliation from Trump's supporters. With blockbuster original reporting and exclusive access to thousands of secret documents, emails, text messages, and audio recordings, *Find Me the Votes* is investigative journalism at its finest. The authors also conducted exclusive interviews with key sources in the Trump conspiracy, as well as with the president's top targets, including Georgia secretary of state Brad Raffensperger and the Fulton County DA's team, featuring hours of interviews with Fani Willis herself. This is riveting contemporary history and a lasting account of the prosecution of a president who tested the rule of law as no president ever had before. Isikoff and Klaidman have written a story for the ages.
