Paul Dyson, 2016-08-17 The 2017 edition of firstwriter.com's bestselling directory for writers provides details of over 1 300 literary agents, book publishers and magazines including revised and updated listings from the 2016 edition and over 500 brand new entries. Industry insights are provided by top literary agent Andrew Lownie of the Andrew Lownie Literary Agency Ltd, named by Publishers Marketplace as the top selling agent worldwide. Subject indexes for each area provide easy access to the markets you need with specific lists for everything from romance publishers to poetry magazines to literary agents interested in thrillers. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions by email this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and

magazines this directory is able to provide more listings than its competitors at a substantially lower price The book also includes free access to the firstwriter.com website where you can find even more listings You can also benefit from other features such as advanced searches daily email updates feedback from users about the markets featured saved searches competitions listings searchable personal notes and more I know firsthand how lonely and dispiriting trying to find an agent and publisher can be So it's great to find a resource like firstwriter.com that provides contacts advice and encouragement to aspiring writers I've been recommending it for years now Robin Wade literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber
