Larkin's Travelling Spirit Alex Howard, 2020-11-25 This book examines Larkin's evocation of place and space along with the opportunities for self discovery offered by the act and thought of travel From his canonical verse to his lesser known juvenilia and dream diaries this title unveils a new Larkin a man whose religious political and ontological affiliations are often as wide ranging and experimental as the very form and symbolic licence used to express them Whether exploring Larkin's fondness for deictics pointing words like here there his fascination with death or his interest in the sexual opportunities of an itinerant lifestyle this monograph provides fresh critical approaches bound to appeal to established Larkin scholars and newcomers alike

Playing on an Uneven Field Yuya Kiuchi, 2019-05-30 We expect sports to be fair and equal everyone who tries out has a chance to play and everyone who plays hard has a chance to win But is that really true In reality female athletes are paid far less than their male counterparts Youth sports often cost too much for many families to participate in African American athletes continue to face discrimination both on and off the field Adaptive sports are considered to be only for those with disabilities But there are signs of progress as sports organizations try to promote equality and fairness This study explores the intricacies of inclusion and exclusion in sports

Modern Indian Literature as Cosmopolis Didier Coste, 2024-10-09 This book redefines modern Indian literature from a cosmopolitan comparative perspective inclusive of literature in English from India and the diaspora in native languages and works by non Indians It shows how since the mid 19th century Indian literary modernity pursued the conjunction of the sensuous and ethical spiritual that characterized its three traditions Sanskrit Persian and folk culture while the encounter both receptive and oppositional with the West vastly expanded the Indian literary sphere Aesthetics and ethics are not antithetical in the Indian cultural space but the quest for an exclusive Indian identity versus universalist approaches offsets concerns for social justice as well as enjoyable embodied communication The literary constellation in many languages now formed in and around India can be better apprehended as a virtual Cosmopolis a commonwealth of elaborate emotions The versatile figure of Hanuman metaphorically flies across this Ocean of Stories to make us discover new worlds of experience

Four Books, One Latino Life Ignacio F. Rodeño Iturriaga, 2021-02-19 Acclaimed by many as one of the most gifted essayists and stylists in American letters these last few decades Richard Rodriguez has left an indelible imprint on the tradition of autobiographical writing of the nation Rodeo's study of the four installments of Rodriguez's self writing offers an insightful and perspicacious analysis of the evolution and the most controversial elements in this Chicano writer's production so far Delving deeply into issues of racial and ethnic identity sexual orientation religious background various types of hybridity and different forms of socio cultural adaptation this book presents all kinds of incisive observations about the contested spaces that minority self writers are often pushed to occupy in the American tradition of the genre

Bearing Witness Andrea Nicholson, 2022-09-29 Since the 1990s modern slavery has been recognized as a global problem with campaigners around the world providing assessments of its nature and

extent its drivers and possible solutions for ending it However largely absent from the global antislavery movement s discourse and policy prescriptions are the voices of survivors of slavery themselves Survivors authentic voices are underemployed vital tools in the fight against modern slavery in all its forms Through close readings of over 200 contemporary slave narratives Andrea Nicholson repositions the history of the genre and exposes the conditions and consequences of slavery and the challenges survivors face in liberation Far from the trope of capture enslavement escape she argues that narratives are rich and vitally important sources that enable the antislavery community to be gain important insights and build more effective interventions
