Countryman,2025-10-01 Humans were designed to live in Lordship in unity under Christ Every day in every situation we are called to animate life ever more creatively by serving glorifying and enjoying God in imitation of Jesus This is the purpose of people and who we are to our Creator The opportunity to overcome all obstacles using the Holy Spirit s power and the mind of Christ is the Scriptural promise and potential of discipleship Living in Lordship uses solid fact based theology confirmed by a myriad of cited and verified authorities to meld these ideals into a cohesive wholeness aimed squarely at the scarcity mindset It invites all those seeking more from life into a consistent experience of real and practical blessing purposefulness and potency It passionately presents a timely antidote for anxiety insecurity and pessimism Answering the First Question of Discipleship The Question of Purpose Who am I to God this initial Module of the Discipleship Training Field Manual lays a foundation from which personal and spiritual growth self realization and abundant life are not only possible but inevitable Today s world needs a new song to sing To that end Living in Lordship asserts rediscovering true Christian discipleship is not just a thing it is THE thing in Church and in life It should be the backbone and ultimate goal of every church and ministry Living in Lordship means nothing less than fully re presenting Christ to a hurting and broken world As Jesus Himself invited Come and you will see The Power of the Tithe Tetsola,2019-01-31 Religion and Cult in the Dodecanese during the First Millennium BC Manolis I. Seroglou,2023-07-20 This volume publishes the proceedings of the conference of the same name held in Rhodes in October 2018 Contributions draw on archaeological and literary sources to explore both the development and continuity of cults in the Dodecanese from the Early Iron Age through to the 1st century BC **Sabbath as Resilience** Kenneth J. Barnes,C. Sara Lawrence Minard,2025-03-28 People everywhere are feeling the stress of modern life in ways not seen for generations Emerging from the fog of the first pandemic in one hundred years they face economic uncertainty political acrimony war and the threat of war environmental

degradation and technological advances that amaze and frighten in equal measure Time and space condense as unrelenting connectedness blurs the lines between work and play fact and fiction need and desire The devices meant to improve lives dominate them in what theologian Walter Brueggemann calls the tyranny of now People are looking for accessible solutions to complex problems People need resilience but are ill equipped to find it In this book the Fellows of the Mockler Center at Gordon Conwell Theological Seminary offer a solution not from the well trodden psychological disciplines or the lure of New Age mysticism but in a concept as old as the Scriptures themselves the divine gift of Sabbath The authors explore in detail Jesus words Sabbath was made for humanity not humanity for the Sabbath proposing five areas values time space people and faith where a more comprehensive understanding of Sabbath can build resilience by reshaping personal and professional identities in accord with God s will and purpose
